

About Student Parliament

The Student Parliament is the highest level student body at KBT COE. The assembly elects some representatives to work full-time on issues of student rights, educational quality and student life in general. Every year the Student Parliament adapts a new plan of action for welfare of students.

The development of students in various aspects like intellectual, physical, emotional, spiritual, and social is important. So this section comprising of different cells and committees is committed to provide programs and opportunities that support students in achieving their overall development.

Various personal and professional skill development programs viz. Communication and Soft Skill programs, Technical Skill enhancement programs, Personal and Spiritual Development Programs, Entrepreneurship Development Activities are made available on campus through various professional agencies.

The Section is also instrumental in providing platform to the students to nurture and showcase their talents through annual gathering, Art Gallery, games and sports etc. The social commitment of student is expressed through different activities organized under National Social Service (NSS) cell. Students are given opportunities to develop and nurture their leadership qualities through Student Associations, Student Council and working as volunteers in various events organized at Department/college level.
