KBT COE NEWS LETTER

NDMVPS's K.B.T. College of Engineering, Nashik has been serving the society larger since 1999. At present the college provides four year courses leading to Bachelor's Degree of Savitribai Phule Pune University in Mechanical Engineering, Computer Engineering, Instrumentation and Control Engineering, Electronics and Telecommunication Engineering, Civil Engineering, Information Technology along with post graduate courses in MBA, ME Mechanical (Design Engineering) and ME Civil (Construction Management). The institute has been accredited with NAAC 'A' Grade.

The purpose of this Newsletter is to provide information to the student-staff fraternity of Nashik and society at large of the news, including relevant announcements and updates that we believe are important to them. However, this newsletter is also a valuable tool for bolstering morale, promoting unity, team spirit, motivating and rewarding achievements of KBT COE, Nashik. This college News-Letter has been started from January 2017 and latest issue will be available on the college website: www.kbtcoe.org

Vision, Mission and Objectives of the Institute :

Vision

To be Internationally accredited, Multidisciplinary, and Multi-collaborative institute working on technology enabled platform fostering innovations and patents through state-of-art academic system designed by highly qualified faculty for the development of common masses at large

Mission

To educate and train common masses through undergraduate, post graduate, research programs by inculcating the values for discipline, quality, transparency and foster career and professional development for employment thereby contributing to the development of society

Objectives

- To develop technically-sound engineers by engaging the students in progressive technical education and to promote students for academic growth by offering state-of-the-art undergraduate, postgraduate programmes.
- To undertake collaborative projects which offer opportunities for long-term interaction with society, academia and industry.

1. Training & Placement

Department of Instrumentation & Control Engineering

▪ Placement (September 2019)

Following students of the department have been placed through Campus-Off Campus placement activities:

1. Mr. Mohan Bodhai is being placed in A. J. Electronic Instruments Pvt. Ltd., Nashik as Service Manager
2. Mr. Akshay Gore is being placed in SST Technologies, Mumbai

(Both students are from 2019 passed out batch)

▪ Industrial Training (22nd – 24th September 2019)

A 03-days hands on training was organized in Fox solutions during 22nd – 24th September 2019. In the training basics of DC drives and its parameterization was demonstrated by Mr. Jitendra Singh (Drive Team Lead).

Department of Computer Engineering

▪ Placement (September 2019)

Following Students of Computer engineering department has achieved success in their career with excellent placements:

Mr. Aniket Dhumane, Mr. Ojas Joshi, Mr. Jatin Dalal, Mr. Ankur Jayant and Ms. Neha Thakker were placed in TCS. Mr. Yash Sonawane, Mr.

Piyushkumar Singh, Mr. Girish Wani, Mr. Kalpesh Patil, Mr. Sikandar Thakur and Ms. Pranali Yeole were placed in Aress software solutions Pvt. Ltd.

2. Workshops/Seminars/STTPs/FDPs

Department of Information Technology

▪ Workshop on “Advanced Python” (29th – 30th August 2019)

Department of Information Technology organized a 02-Days workshop on “Advanced Python” conducted by FOSSEE IIT BOMBAY from 29th August 2019 to 30th August 2019 for TE IT students.

▪ Workshop on “Advanced Python” (19th - 21st September 2019)

Department of Information Technology organized 3 Days hands on workshop on “Advanced Python” for IT students from 19th to 21st September 2019. 38 students and 2 faculty members of IT department registered for this workshop.

Department of Electronics and Telecommunication Engineering

- **Workshop on "Artificial Intelligence & Machine Learning" (08/09/2019)**

Department of Electronics & Telecommunication Engineering conducted workshop on "Artificial Intelligence & Machine Learning" for students of final year students on 8th September 2019.

- **Workshop Basic of Python (28/10/2019)**

A Basic of Python workshop for TE-E&TC was arranged on 28th August 2019 in association with IIT Mumbai under fossee. Dr. Prabhuramchandran was invited as the resource person for this session.

Department of Instrumentation & Control Engineering

- **Workshop Entrepreneurship Development (16th – 17th September 2019)**

A two day Entrepreneurship Development Workshop in association with Institute for Design of Electrical Measuring Instruments (IDEMI) was organized by ED Cell and Instrumentation & Control Engineering department during 16th – 17th September 2019. Dr. Vilas K. Lachake and Mr. Kulkarni guided the students on business opportunities in import-export, Business plan, marketing and business growth.

- **Seminar on Artificial Intelligence & Machine Learning Language (13/09/2019)**

A Seminar on Artificial Intelligence & Machine Learning Language was organized by ISTE (Indian Society for Technical Education) on 13th September 2019. Dr. R. S. Tiwari was invited as resource person for this session.

Department of Mechanical Engineering

- Seminar on “ISHRAE Chapter and different activities run under ISHRAE Chapter” (25/09/2019)

A Seminar on “ISHRAE Chapter and different activities run under ISHRAE Chapter” was conducted by the Department of Mechanical Engineering on 25th September 2019 in which Dr. Dinesh Uphade (Alumni of 2003 batch) addressed the students.

- “Sivananda Electronics, Deolali, Nashik” (06/09/2019)

Department of Information Technology organized an Industrial Visit for SE IT Students at Sivananda Electronics, Deolali, Nashik on 6th September 2019.

3. Industrial Visit

Department of Information Technology

- “Traffic Education Park Nasik” (03/09/2019)

The department of Information Technology organized a visit for Second Year students at “Traffic Education Park Nasik” on 3rd September 2019. Mr. B. K. Dhumal and his team guided the students on how to prevent road accidents and be safe on road by using power point presentations and some real life video examples.

- Dreamware IT Solutions, Nashik (31/08/2019)

Department of Information Technology organized an Industrial Visit for SE-IT students at Dreamware IT Solutions, Nashik on 31st August 2019.

Department of Electronics and Telecommunication Engineering

- “Karmayogi Dulaji Sitaram Patil College of Agriculture, Nashik” (17/09/2019)

Prof. A. P. Meshram organized field visit & expert session of Dr. Suryawanshi for elective subject "Agriculture Electronics" for the Final Year E&TC students at Karmayogi Dulaji Sitaram Patil College of Agriculture, Nashik on 17th September 2019.

- “Rishabh Instruments Pvt. Ltd., Nashik” (10/09/2019)

Department of Electronics & Telecommunication Engineering organized an industrial visit to “Rishabh Instruments Pvt. Ltd., Nashik” on 10th September 2019.

- “Sivananda Electronics, Nashik” (30/08/2019)

Department of Electronics & Telecommunication Engineering organized an Industrial Visit at Sivananda Electronics for SE-E&TC students on 30th August 2019.

Department of Instrumentation & Control Engineering

- “Automation Expo-2019 at Goregaon Mumbai” (28/09/2019)

A visit at Automation Expo-2019 at Goregaon Mumbai was organized to make interaction of students with automation industries for getting knowledge of recent trends in automation on 28th September 2019.

▪ **“Girl’s Hostel” (27/09/2019)**

The Girl’s Hostel Warden and rector explained and demonstrated the working of Fully Automatic Roti making machine and Compost machine to the SE-ICE students on 27th September 2019.

▪ **Motwane Manufacturing Company, Nashik (20/09/2019)**

Department of Instrumentation & Control Engineering organized an industrial visit at Motwane Manufacturing Company on 20th September 2019. Mr. Yogesh Wagh guided the students during the visit and through various departments like R&D, QA, stores, tool room etc.

▪ **Armstrong Machine Builders Pvt. Ltd., Satana (04/09/2019)**

Students of Instrumentation and Control Engineering department visited Armstrong Machine Builders Pvt. Ltd., Satana on 4th September 2019.

Department of Civil Engineering

▪ **Maharashtra Engineering Research Institute, Nashik (23/09/2019)**

Department of Civil Engineering organized an industrial visit at Maharashtra Engineering Research Institute, Nashik on 23rd September 2019.

- **Water Treatment Plant, Tapovan, Nashik (20/09/2019)**

Department of Civil Engineering organized an industrial visit at Water Treatment Plant, Tapovan, Nashik on 20th September 2019.

Department of Mechanical Engineering

- **“National Cement Pipe Company MIDC Nashik” (26/09/2019)**

Third year students of the Mechanical Engineering department visited National Cement Pipe Company MIDC Nashik for the practical subject knowledge of To study applications of different types of gears on 26th September 2019.

Department of Computer Engineering

- **“eLuminous Technologies, Nashik” (03/09/2019)**

Department Computer Engineering organized an industrial visit for the final year students at eLuminous Technologies, Nashik on 3rd September 2019. During the visit, students observed the development process of web and mobile application.

- **“Adani Thermal Power Station at Dahanu” (17th – 18th September 2019)**

An industrial visit was organized to Adani Thermal Power Station at Dahanu under subject Thermodynamics on 17th & 18th September 2019. Students came across different aspects of thermal power plant and understand working of the same.

- **Karanjwan Hydro Power Plant, Dindori, Nashik (14/09/2019)**

Third year students of the department visited, Karanjwan Hydro Power Plant, Dindori, Nashik for the practical subject knowledge of Turbo Machines on 14th September 2019.

4. Expert Talk/Lectures

Department of Information Technology

- **“How to become an Entrepreneur” by Mr. Ddaji Ahire (28/09/2019)**

Department of Information Technology organized the Expert Lecture on “How to become an Entrepreneur” for SE students on 28th September 2019. The Resource person of this expert talk was Mr. Dadaji Ahire (CEO & MD, Shriyansh Computers & IT Solutions PVT.LTD, Nashik).

- **“Object Oriented Programming” by Ms. Ujwala S. Tambe (26/09/2019)**

Ms. Ujwala S. Tambe, faculty member of Information Technology delivered expert talk on “Object Oriented Programming” at Rajashree Shahu Maharaj Polytechnic, Nashik on 26th September 2019 for the students of Second Year Computer Technology.

- **“Operating System Concepts” by Dr. Vandana. C. Bagal (27/09/2019)**

Department of Information Technology organized expert talk on “Operating System Concepts” on 27th September 2019 for Third Year IT students. Dr. Vandana. C. Bagal (Head of Department & Associate Professor, K. K Wagh Institute of Engineering Education & Research, Nashik) was invited as a resource person for this expert talk.

- **“Hashing and Indexing in DBMS” by Dr. Mahesh Sanghavi (25/09/2019)**

Department of Information Technology organized expert talk on “Hashing and Indexing in DBMS” on 25th September 2019 for Third Year IT students. Dr. Mahesh Sanghavi (Professor and Head, Department of Computer Engineering, SNJB, Chandwad) was invited as a resource person.

- **“Control Unit Design” by Dr. Swati Bhavsar (25/09/2019)**

Department of Information Technology organized an expert talk on “Control Unit Design” on 25th September 2019 for Second Year IT students. Dr. Swati Bhavsar (Associate Prof., MCOERC, Nashik) was invited as a resource person for this expert talk.

- **“Ethics and The Indian IT Act” by Ms. Muskan Khan (24/09/2019)**

Department of Information Technology organized expert talk on “Ethics and The Indian IT Act” on 24th September 2019 for Final Year IT students. Ms. Muskan Khan (Cyber Ambassador, Nashik City Police Cyber Security, Nashik) was invited as a resource person for this expert talk.

- **“Hypothesis Testing and Sampling Distribution” by Ms. R. M. Bora (20/09/2019)**

Department of Information Technology organized expert talk on “Hypothesis Testing and Sampling Distribution” on 20th September 2019 for Final Year IT students. Ms. R. M. Bora (Assistant Professor, KKWIEER, Nashik) was invited as a resource person for this expert talk.

- **“Ethics” by Dr. Ramesh Pathak (17/09/2019)**

Department of Information Technology organized expert talk on “Ethics” on 17th September 2019 for Second Year and Third Year IT students. Dr. Ramesh Pathak (Promoter and Lead Trainer, Visiting Faculty at MVPS’s IMRT, Nashik) was invited as a resource person for this expert talk.

- **“Digital Marketing” by Ms. Geetanjali Shinde (17/09/2019)**

Department of Information Technology organized expert talk on “Digital Marketing” on 17th September 2019 for Final Year IT students. Ms. Geetanjali Shinde (Content writer, AISLING, Nashik) was invited as a resource person for this expert talk.

- **“Basics of Computers” by Ms S. J. Suryawanshi and Ms S. S. Bhamre (17/09/2019)**

Ms S. J. Suryawanshi and Ms S. S. Bhamre faculty members of Information Technology department delivered expert talk on “Basics of Computers” at Z. P. School, Matori on 17th September 2019 for 5th and 6th standard students.

- **“Reverse & Forward Engineering & SDLC” by Mr. Sudhir Gorade (11/09/2019)**

Department of Information Technology organized expert talk on “Reverse & Forward Engineering & SDLC” on 11th September 2019 for Final Year IT students. Mr. Sudhir Gorade (Founder Sumago Infotech Pvt. Ltd. Nashik) was invited as a resource person for this expert talk.

- **“Red Hat Linux Opportunities” by Mr. Mayur More (04/09/2019)**

Department of Information Technology organized expert talk on “Red Hat Linux Opportunities” on 4th September 2019 for Third Year IT students. Mr. Mayur More (CEO & Managing Director Technology Consult & Trainer, Slash Institute of Technologies, Nashik) was invited as a resource person for this expert talk.

Department of Instrumentation & Control Engineering

- **“Business Ethics” by Mr. Savitra Pol (30/08/2019)**

Department of Instrumentation & Control Engineering organized an expert talk of Mr. Savitra Pol (Director, Anwita Industries, Nashik) on 30th August 2019. Students learnt about the Business Ethics (Regular tax payers, commitment to be followed, fair with the employees), finance management for business development & Entrepreneurship development.

- **“Yuvapreneur” by Mr. Desai and Mr. Mokashi (27/09/2019)**

Mr. Desai and Mr. Mokashi of Sewah Education Hub conducted an expert session “Yuvapreneur” for the engineering students on 27th September 2019.

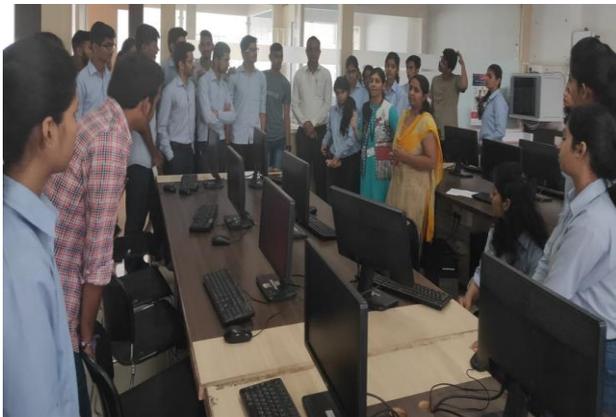

- **“Swami Vivekananda’s Thoughts” by Mr. Prashant Lele (25/09/2019)**

A guest lecture was organized under the human value addition session on “Swami Vivekananda’s Thoughts” by Mr. Prashant Lele (Ramkrishna Math, Pune) on 25th September 2019.

- **“Library Facilities” by Mr. M. B. Chavan (Librarian) & Ms. Tripti Vadghule (25/09/2019)**

Department of Instrumentation and Control Engineering organized an expert talk of Mr. M. B. Chavan (Librarian) & Ms. Tripti Vadghule on 25th September 2019. They provided the information regarding the facilities available in library, how to access e-books, NPTEL Videos, access & download Journal Papers, Question papers from ftp link through ERP. They also guided on the utilization of Knimbus software.

- **“Study Abroad” by Mr. Amit Gore (17/09/2019)**

An expert talk on “Study Abroad” was organized on 17th September 2019. Mr. Amit Gore from Akshay Study Abroad explained the opportunities for M. S. available in various foreign countries and qualifying requirements for the same.

- **“C-Programming” by Mr. Tausiff Inamdar (09/09/2019)**

An expert talk of Mr. Tausiff Inamdar (Owner, Optimus Prime Programming Institute, Nashik) was organized on 9th September 2019. He gave brief introduction on importance of C in industry, the working culture of Industry, the challenges faced by him.

Department of Civil Engineering

- **“Applications of GIS in Civil Engineering” by Mr. Vikrant Nikam (18/09/2019)**

An expert lecture was arranged for SE-Civil Engineering students on 18th September 2019 on “Applications of GIS in Civil Engineering”. Mr. Vikrant Nikam (Albedo foundation, Nashik) was invited as resource person for this session.

- **“Importance of Chemistry in Environmental Engineering” by Prof. K. A. Patil (25/09/2019)**

An Expert lecture on “Importance of Chemistry in Environmental Engineering” was arranged for BE Civil students on 25th September 2019. Prof. K. A. Patil focused on how study of chemistry is useful in analyze various processes involved in treatment of wastewater.

- **“Low Cost Waste Water Treatment” by Mr. Ravindra Sangamneri (25/09/2019)**

Mr. Ravindra Sangamneri (NEERI) delivered an expert talk on “Low Cost Waste Water Treatment” for BE-Civil students on 25th September 2019.

Department of Computer Engineering

- **“Entrepreneurship and Finance” by Mrs. Premlata Mishra (28/09/2019)**

Department of Computer Engineering organized an expert session on “Entrepreneurship and Finance” on 28th September 2019. Mrs. Premlata Mishra (Advent Engineers, Nashik) was invited as resource person.

- **“3D Printing” by Mr. Vishal Gawate (19/09/2019)**

Department of Computer Engineering organized a BE Audit course Session on “3D Printing” on 19th September 2019. Mr. Vishal Gawate and Mr. Parvez Ansari (Raspi Invent, Nashik) were invited as resource persons.

- **“PLC & Microcontroller” by Mr. Rutwik Taday (18/09/2019)**

In coordination with Computer Engineering department, the department of Information Technology organized expert talk on “PLC & Microcontroller” on 18th September 2019. Mr. Rutwik Taday (Software Developer, Cognifront, Nashik) was resource person for the talk.

- **“Literature review paper writing and Mathematical Modeling” by Dr. M. U. Kharat (06/09/2019)**

Department of Computer Engineering organized an expert Session on “Literature review paper writing and Mathematical Modeling” on 6th September 2019. Dr. M. U. Kharat (MET, Nasik) was invited as resource person for this session.

- **“Real time Applications of AI” by Mr. Tushar Kute (06/09/2019)**

Department of Computer Engineering organized an expert talk on “Real time Applications of AI” on 6th September 2019. Mr. Tushar Kute, (MiTu Skillologies, Pune) was invited as resource person. In the session students learned real time applications of Artificial Intelligence in industry.

Department of Mechanical Engineering

- **“Ethics in Engineering” by Mr. Ramesh Pathak (27/09/2019)**

Mr. Ramesh Pathak (Consultant O.R.D., Nashik) delivered expert talk on “Ethics in Engineering” for third year Mechanical Engineering students on 27th September 2019.

- “Evolution of Technology in Thermal Engineering” by Mr. Suyog Zute (13/09/2019)

Department of Mechanical Engineering organized an expert talk on “Evolution of technology in thermal engineering” on 13th September 2019. Mr. Suyog Zute was invited as resource person for the session.

Department of MBA & Central Library

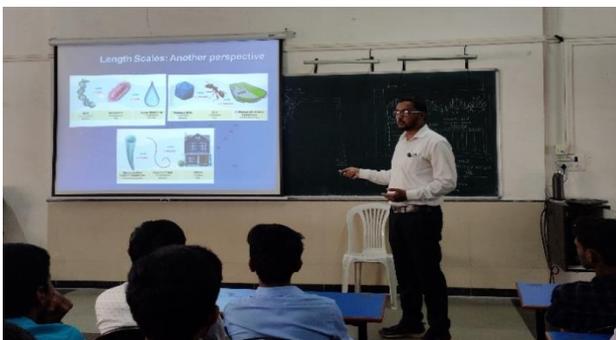

- “J-Gate One Platform to Discover all Scholarly E-Journals Literature” by Mr. Mayank Dedhia (26/09/2019)

The Department of Central Library organized an interactive training session on “J-Gate One Platform to Discover all Scholarly E-Journals Literature” for all teaching faculties and MBA Students on 26th September 2019, Mr. Mayank Dedhia (Training & Business Development Manager J-Gate) guided the faculties and MBA Students validating of campus access or virtual access, how to search for different keywords, search siting the articles, how to identifying quality journals and setting the alert for journals search criteria.

Department of Engineering Science

- “Nanomaterials” by Dr. Amol B. Rahane (20/09/2019)

Dr. Amol B. Rahane (Ph.D. & SET) is invited to deliver an expert talk on “Nanomaterials” for first year engineering students of our college on 20th September 2019.

5. Student/Staff Achievements

Department of Instrumentation & Control Engineering

- Mr. S. D. Nikam: Contribution in Admission 2019-20 (14/09/2019)

On the eve of Engineer’s day Mr. S. D. Nikam (Assistant Professor) was felicitated by Shrimati Neelimatai Pawar (Hon. Sarchitnis, MVP Samaj) for his valuable contribution in admission 2019-20 in presence of Mr. Vishnu Prasad (Assistant Commissioner of Income Tax, Circle-I, Nashik), Mr. Joy Aloor (Director, Fox Solution) Mr. Pralhad Dhumal (General Manager, Fox Solution) and Dr. N. S. Patil Patil (Principal).

6. Technical Activities

Department of Electronics & Telecommunication Engineering

- Inauguration of "Automatic Emergency Kios ☆ 360 Video Surveillance System" (09/09/2019)

Students of E&TC Engineering, were present during the inauguration of India's 1st "Automatic Emergency Kios ☆ 360 Video Surveillance System" on 9th September 2019. The inauguration took place at the hands of Mr. Vishwas Nagare Patil (Police Commissioner, Nashik City).

Department of Instrumentation & Control Engineering

- Inauguration of "Automatic Vehicle Washing Center" (14/09/2019)

Inauguration of "Automatic Vehicle Washing Center" took place on 14th September 2019. For inauguration of this event Mr. Vishnu Prasad, (Assistant Commissioner of Income Tax, Circle-I, Nashik) was Chief Guest, Mr. Joy Aloor (Director, Fox Solution),

Mr. Pralhad Dhumal (General Manager, Fox Solution, Nashik) and Shrimati Neelimatai Pawar (Hon. Sarchitnis, MVP Samaj, Nashik) were present. This project is developed under the guidance of Dr. N. S. Patil (Principal) and Ms. Sujata Tidame (Assistant Professor). In this project Mr. Parag Sonar, Mr. Abhijeet Somase and Mr. Ghosan Chaudhari (All BE-ICE students) took continuous efforts for successful completion of project. For this project MVP Samaj has provided a sponsorship of INR 10 Lakh & technical support was provided by Fox Solution, Nashik.

- Completion of MVP-FOX Automation Training (14/09/2019)

On the eve of Engineer's day Ms. Madhuri Uphade, Ms. Adity Wagh and Ms. Anuja Dalvi (All BE-ICE students) were felicitated by Mr. Joy Aloor (Director, Fox Solution) for successful completion of MVP-FOX Automation training in presence of Mr. Vishnu Prasad (Assistant Commissioner of Income Tax, Circle-I, Nashik) Mr. Pralhad Dhumal (General Manager, Fox Solution), Shrimati Neelimatai Pawar (Hon. Sarchitnis, MVP Samaj) and Dr. N. S. Patil (Principal).

▪ **MoU with Akshaya Udyog (24/08/2019)**

A MoU is signed between the Instrumentation & Control Engineering department and Akshaya Udyog Nashik on 24th August 2019. Mr. Vishnu Shejwalkar (Proprietor, Akshaya Udyog) and Dr. N. S. Patil (Principal), Dr. A. R. Kulkarni (HoD) signed the MoU.

7. Other Activities

Department of Gymkhana

▪ **Monsoon Cricket Cup Competition (7th – 16th September 2019)**

Gymkhana Department organized Monsoon Cup Cricket (M) Competition 2019 during 07th to 16th September 2019. The inauguration of the competition took place at the hands of Prof. N. B. Desale (Vice-Principal). The Winner team was BE-Mechanical however the Runner Up team was SE-E&TC.

Department of Central Library

▪ **Coffee-Kutta Activities (September 2019)**

The staff members of the institute are regularly participating in the “Coffee-Kutta” an innovative practice of Central Library department for improving the utilization of Library Facilities.

Department of Information Technology

▪ **Parent-Teacher Meeting (07/09/2019)**

Department of Information technology organized a Parent-teacher meeting on Saturday, 07th September 2019 at 10.00 am. Dr. V. R. Sonawane (HoD IT) explained how Parent teacher meet can offer the best possible learning environment for the students.

Department Advisory Board Meeting
(07/09/2019)

Department of Information Technology conducted Department Advisory Board meeting on 7th September 2019. Mr. Prakash Ekande (Industry Representative), Mr. Amit Bora (Parents representative), Mr. Sanket Kapole (BE IT Student), Mr. Sandesh More (SE IT Student), Ms. Vidula Morankar (BE IT Student), Ms. Mansi Bora (TE IT Student) were invited as Department Advisory board committee members.

Department of Electronics and Telecommunication Engineering

Parent-Teacher Meeting (31/08/2019)

Department of Electronics & Telecommunication Engineering organized a Parent teachers meeting on 31st August 2019.

Department Advisory Board Meeting
(31/08/2019)

Department of Electronics & Telecommunication Engineering organized a Department Advisory Board Meeting on 31st August 2019.

Department of Instrumentation & Control Engineering

Alumni Interaction (26/09/2019)

A guidance session of Ms. Sisira Kottakkal (Robotics Engineer, Armstrong Machine Builders, Nasik) for exploring the students with industrial environment & requirement of industry from fresher, was organized on 26th September 2019.

8. Teacher's Day Celebration (05/09/2019)

Parent-Teacher Meeting (20/09/2019)

A Parent Meet was conducted at Instrumentation & Control Engineering department on 20th September 2019.

Department of Information Technology

Teacher's Day celebration at Department of Information Technology: Prof. N. B. Desale (Vice Principal), Dr. V. R. Sonawane (HoD) and staff members of the department addressed students on this occasion.

Department of Mechanical Engineering

Parent-Teacher Meeting (20/09/2019)

A Parents meet was conducted on 20th September 2019 at Department of Mechanical Engineering. Prof. N. B. Desale (Vice Principal) during his speech informed parents regarding development of students and appealed for combine efforts of faculty and parents for fulfillment of students' requirements.

9. Social Activities

KBTCOE Nature Club

▪ Flood Relief Fund for Kolhapur/Sangli (September 2019)

Students of KBTCOE Nature & Social Activity Club took initiative and contributed sum of INR 20,600/- (Twenty Thousand Six Hundred Only). Total 56 faculties & students came together for the activity. The fund was further transferred to "Shivaji Trail Charitable Society" (Reg. No.2234/2012/Pune) who provided medical aid to people of flood affected districts (Kolhapur & Sangli).

▪ Buildathon-2019 (13/09/2019)

KBTCOE Nature & Social Activity Club conducted Buildathon at Gharkul Parivar Sanstha on 13th September 2019. Gharkul Parivar Sanstha is home away from home for mentally challenged women. The objective of Buildathon was to increase visibility of activities done, products manufactured by differently abled women. For this activity total 18 students from engineering and MBA department participated & developed website, product catalogue for the sanstha. Facebook, Instagram, Twitter & LinkedIn accounts were also created & posts were shared on these social media.

▪ Murti Sankalan (12/09/2019)

KBTCOE Nature & Social Activity Club in association with NSS conducted Murti Sankalan activity at Godaghat (Panchavati) on 12th September 2019 on occasion of Anant Chaturdashi. In activity around 110 students from all branches of engineering participated. Students motivated common masses to donate Ganesh idols made up of Plaster of Paris (POP).

**Department of Electronics and
 Telecommunication Engineering**

- **Blood Donation Camp (29/08/2019)**

A Blood Donation Camp was organized at NDMCPS's Vasant Rao Pawar Medical College on the occasion of National Sport's Day i.e the birth anniversary of hockey legend Major Dhyhan Chand on 29th August 2019.

- **"Road Safety & Management"**
(11/09/2019)

The students of SE & TE, E&TC Engineering participated in "Road Safety & Management" along with Traffic Police of Nashik in presence of Mr. Vishwas Nangare Patil (Commissioner of Police, Nashik City) on 11th September 2019.

**Department of Instrumentation & Control
 Engineering**

- **Blood Donation Camp (29/08/2019)**

On the eve of National Sports day & Fit India Movement, the third year Instrumentation & Control Engineering students of NSS (National service scheme) worked as a volunteer in 7th MVP Athletes Blood Donation Camp, Nashik. The event was organized by Dr. Vasant Rao Pawar Medical College, Hospital & Research center, Nashik.
