TECHNICAL NEWS LETTER: FEBRUARY 2017

KBTCOE NEWS LETTER

The NDMVPS's K.B.T. College of Engineering, Nashik has been serving the society larger since 1999. At present the college provides four year courses leading to Bachelor's Degree of Savitribai Phule Pune University in Mechanical Engineering, Computer Engineering, Instrumentation and Control Engineering, Electronics and Telecommunication Engineering, Civil Engineering, Information Technology along with post graduate courses in MBA, MCA, ME Mechanical (Design Engineering) and ME Civil (Construction Management).

The purpose of this Newsletter is to provide information to the student-staff fraternity of Nashik and society at large of the news, including relevant announcements and updates that we believe are important to them. However, this newsletter is also a valuable tool for bolstering morale, promoting unity, team spirit, motivating and rewarding achievements of KBT COE, Nashik. This college News-Letter has been started from January 2017 and latest issue will be available on the college website: www.kbtcoe.org

Vision, Mission and Objectives of the Institute :

Vision

To be Internationally accredited, Multidisciplinary, and Multi-collaborative institute working on technology enabled platform fostering innovations and patents through state-of-art academic system designed by highly qualified faculty for the development of common masses at large

Mission

To educate and train common masses through undergraduate, post graduate, research programs by inculcating the values for discipline, quality, transparency and foster career and professional development for employment thereby contributing to the development of society

Objectives

- To develop technically-sound engineers by engaging the students in progressive technical education and to promote students for academic growth by offering state-of-the-art undergraduate, postgraduate programmes.
- To undertake collaborative projects which offer opportunities for long-term interaction with society, academia and industry.

1. Training and Placement

- **GTT, Mahindra Pride training and Interview facing techniques training (17th, 22nd & 23rd February 2017)**

Final Year Engineering Students during Interview facing training session

Comprehending the gravity of the array of skills that today's corporate world expects from fresh graduates, the management of KBT COE has invested in a full time trainer, in the Training and Placement cell, with the motive of propelling the students on employability skill development to aid them find an employment that is financially rewarding and personally satisfying. With focus on final year students who will be out in the job market within 3 months, a variety of training programs are being conducted v.i.z. 'Interview facing techniques' conducted by the internal trainer.

Another value added training was 'Employability Skill Development' conducted by Mahindra Pride, an award winning CSR project of Mahindra & Mahindra group of companies to empower youth by providing different trainings to make them job ready. The 2 day training workshop, for each department, on life skills and employability skills has transformed the students

into confident, determined and goal oriented youth; a personality shift essential to pursue successful careers.

Training by Global Talent Track (GTT)

Another feather on the cap was attaching the college with 'Global Talent Track' (GTT), which in collaboration with Barclays bank has emerged as a skill development venture which trains aspiring students on vocational skills that will help them get ready for the industry, bridging the gap existent in their employability quotient. GTT, initializing with an online aptitude test that all 3rd and 4th year students appeared for, looks forward to conduct specialization oriented 'High impact workshops' for the students in March.

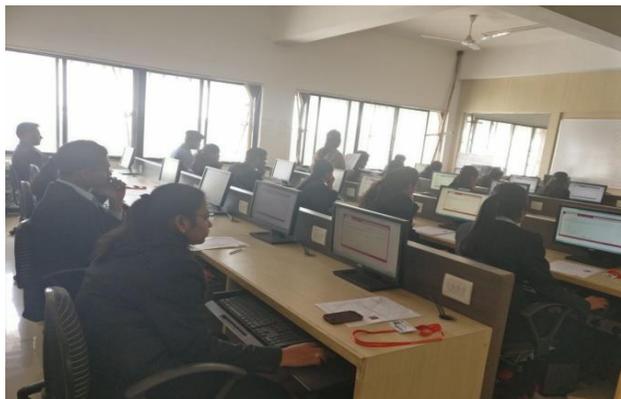

Department of MBA

- **Axis Bank Campus Recruitment (February 2017)**

Axis Bank, like every year, this year also carried out the pool campus recruitment for the post of Assistant Manager. The students from the other MBA college of MVP Samaj, IMRT, Nashik were also invited for this campus placement.

Students of MBA during Aptitude test

Students of MBA during Aptitude test

Two students from MBA Department, **Ms. Harshada Dhatrak** and **Mr. Dhananjay Mali** has been selected and received offer letter from Axis Bank.

▪ **Outbound Training Program at Panchagani, Mahabaleshwar (12/02/2017)**

MBA Department has been carrying out the Outbound Training Program activity every year since 2014. Every year students eagerly wait for this activity as corporate trainer Mrs. Arya Hycinth carry out this program in wilderness of Panchagani, Mahabaleshwar. This year a batch of 35 students geared up for 3-day training session from 09/02/2017 to 11/02/2017. Students learn and grasp various management concepts

through practical exercises. Corporate trainer Mrs. Arya Hycinth designed 17 innovative activities for students such as: Group Formations and Guessing, Mirror Image, Diamond Steps, Balance and Carry on, Blind Faith Walk, Blind Pick, Smash Ball, Star Gazing, Jungle Safari, Sunrise Candle Plant Visit, Ad-Mad Show, Marble Game, Pipe Passing, News Paper Game, Cooking, Poster Making and Mapro Plant Visit.

MBA Students and Trainer during Outbound Training Program

The students not only enjoyed these activities but also learned a lot. To name a few are: Creative Thinking, Decision Making, Cooperation, Coordination, Strategy Formulations, Presence of Mind, Team building, Motivation, Leadership Skills etc.

2. Workshops & Seminars

Department of Instrumentation and Control Engineering

▪ **IOT for Instrumentation using Raspberry-Pi (19/02/2017)**

To enhance the hands-on practical knowledge of students and make them updated with the new technologies and to understand their technical

horizon, Instrumentation and control Engineering Department organized a Two Days Hands On Workshop on “**IOT for Instrumentation using Raspberry-Pi**” based on Raspberry-Pi internet of things during 18th -19thFebruary 2017. The workshop was delivered by the industrial eminent speakers Mr. Shekhar Borse (Founder and Director, Raspi Invent, Nashik) and Team.

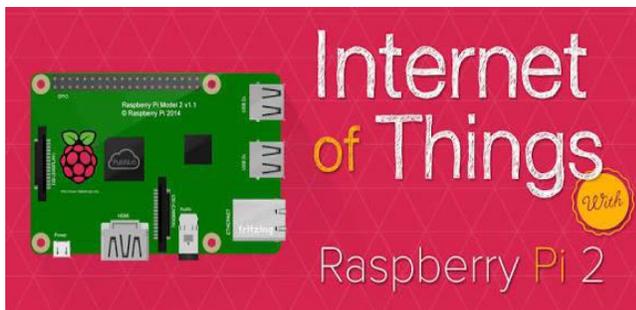

Mr. Shekhar Borse addressing the workshop

Models presented by experts and implemented by students of Instrumentation and Control Engineering

Raspberry-Pi internet of things:

Raspberry-Pi miniature credit card

Dr. B. B. Musmade (HOD) reviewing the activity

Department of Computer Engineering

- **ESDP Training by Zensar Technologies, Pune (18/02/2017)**

The Department of Computer Engineering keeps vision of preparing an engineer to serve the industry. To inculcate the skills required for the industry in Computer Engineering and IT bachelors, ESDP training was organized by Computer Engineering Department. The training was conducted by Dr. Priya Jagtap from Seed Infotech, Pune.

Dr. Priya Jagtap Training the students from Computer and IT Department

Zensar’s Employability Skills Development (ESD) Program is an initiative for the students to inculcate the skill set required for the jobs. The

Department of Computer Engineering is hopeful that this ESDP will definitely help students to become a role model in the industry.

Total 34 students of third year of Computer Engineering and IT of KBTCOE, MCERC and KKWIEER, Nashik attended the 6 days training from Monday 13th February 2017 to Saturday 18th February 2017.

- **Seminar on Raspberry Pi and its applications (08/02/2017)**

Mr. Shekhar Borse, Director, Raspi Invent solutions & Mr. Yogesh Kurhe, Dy. Manager, Hindusthan Glass Pvt. Ltd

Faculty, Staff and Students of Computer, IT, ETC, Instrumentation & Control Engineering

The Department of Computer Engineering aims to update its cohesive team of faculty members and students regularly to keep up with

the growing demands and changing trends of the software industry and the research laboratories. Keeping this objective in mind, a seminar on “Raspberry Pi & its applications” was organized by Computer Department.

Department of Mechanical Engineering

- **Two Days National Level Workshop on ‘Condition Monitoring of Rotating Machinery’ (7th & 8th February 2017)**

Inugration of workshop

Expert talk by Mr. Naresh Shanbhag

Mechanical Engineering Department has conducted two days National level workshop on “**Condition Monitoring of Rotating Machinery**” held during **7th and 8th February 2017**. Faculties from Engineering colleges, research scholars and post graduate students

from various institutes across India have actively participated in this workshop. This Workshop was more focused towards faculty and researchers who were involved in teaching and carrying out good research in the area of Condition Monitoring of Rotating Machinery. This workshop was designed and structured to impart the knowledge of Vibration measurement and its analysis for diagnosis of Rotating machinery which is useful for Mechanical Engineering. The panel of resource persons consisted:

Dr. Rajiv Tiwari, IIT Guwahati
Dr. Divyang Pandya Ph.D (IIT Roorkee)

Mr. Naresh Shanbhag DGM, M&M, Nashik,

Dr. D. I. Lalwani, SVNIT Surat,

Mr. Sachin Wagh, TATA Motors, Pune,

Dr. P. B. Kushare, Ph.D. (IIT Roorkee),

Mr. Sai Shekhar, Monitoring Technology, Chennai,

Dr. Omprakash Kulkarni, Scintific Advisor.

These experts delivered expert talk on Fundamentals of vibration, overview of recent advancement in the field, Conditioning Monitoring and Fault Diagnosis, FFT Analysis & Dynamic Balancing, Case Studies on Conditioning Monitoring.

3. Industrial Visits

Department of MBA

Mapro Foods, Mahabaleshwar (12/2/2017)

The Department of MBA has organized an Industrial Visit to Mapro Foods Mahabaleshwar plant on 12/02/2017. The manager, Mr. Vora, explained the operations of company and various business practices of company in detail.

Food Packaging operation at Mapro Foods

Sunrise Candles, Panchagani (10/02/2017):

Mr. Bhavesh Bhatiya (Founder, Sunrise Candles) sharing his experience

Mr. Bhavesh Bhatiya (Founder, Sunrise Candles, Mahabaleshwar) is listed on Wikipedia, recipient of many awards and the person from whom we can truly learn, "Impossible means I M Possible". Mr. Bhavesh, who started his endeavor with 5 Kgs of wax, today turning over Rs. 10 Crore annually. This visually challenged entrepreneur today leads the team of 225 visually challenged workers manufacturing unbelievably beautiful candles. In industrial visit at Sunrise Candles manufacturing plant on 10/2/2017, Mr. Bhavesh explained the various manufacturing and marketing operations of company.

Forensic Science Laboratories Nashik (01/02/2017):

In day to day life we may fall prey to crime related incidents and students are more prone to such situations. The questions that may arise in our minds be, can these be avoided? In such cases how the situations are handled? The MBA department took this opportunity to arrange the student visit to Forensic Science Laboratories Nashik on 01/02/2017.

Working at Forensic Science Lab

Forensic Science Department is a branch of Police Department wherein the scientific investigation of complex criminal cases is carried out. Mr. Pankaj Pingate (Analyst, Forensic Science Lab) explained about the types of crimes, provided guidelines regarding how to prevent one-self from criminal activities.

4. Expert Talks/Lectures

Department of Electronics and Telecommunication

Expert Lecture on Java (28/02/2017)

To keep students updated with the new technologies and to widen their technical horizon

Department of Electronics and Telecommunication organized an expert talk on Java by Mr. Nadeem Shaikh for S.E. students on 28/02/2017.

Mr. Nadeem Shaikh addressing the students

The students of SE got enriched by the interaction with the speaker, his knowledge and experience helped them in appreciating the significance of topic.

Department of Instrumentation and Control Engineering

Electrical Control Panel Design & Advance Electrical Circuits by Mr. Shrikant Jadhav (Project Head, Center for Advance Electrical Technology and Designs) 27/12/2017:

To get familiar with Industrial Control Panels, Instrumentation and control Engineering Department organized an expert talk on “**Electrical Control Panel Design & Advance Electrical Circuits**” on 27th December 2016 for the B.E. (Instrumentation & Control) Students. This session was conducted by Mr. Shrikant Jadhav, Project Head, Center for Advance Electrical Technology And Designs.

Initially Mr. Shrikant Jadhav shared his experiences with students about his Industrial service in Panel Designing for 35 years.

Felicitations of Mr. Srikant Jadhav at the hands of Dr. K. S. Holkar (Principal)

personality development, concentration, work ethics, etc., for students & industry personnel.

Swami Krupa Ghananand addressing students on the subject: *Personality Development*

Faculty, Staff and students of Instrumentation and Control Engineering

Felicitations of Swami Krupa Ghananand at the hands of Dr. K. S. Holkar (Principal)

Department of Engineering Science

▪ Personality Development by Swami Krupa Ghananand (Sunil Maharaj): (13/02/2017)

Swami Krupa Ghananand (Sunil Maharaj) after completing M.A in Economics & working for few years in government sector for statistics department, followed the path of Ram Krishna Mission & is a *Sanyasi* & works for *Shri Ram Krishna Math* since last 15 years. He has delivered over 250 lectures on the topic of

Swamiji began his talk with his own experiences of life, the inspiration that he got from *Swami Vivekanand & Ramkrishna Paramhans*. In his lecture Sunil Maharaj created interest about spirituality, meditation, nationalism & human values. He gave examples of great personalities like *Shri. Chatrapati Shivaji Maharaj* to motivate the students & encouraged them to walk on the path of spirituality, nationalism that will help them

lifelong. He also explained few techniques for improving concentration.

Prof. Nitin B. Desale (HOD) guiding FE students

Prize distribution to FE students

Further, the prize distribution ceremony of technical & non-technical events was conducted. Overall nine competitions were conducted this year, solely for FE students; wherein about 180 students participated.

The winners & runner-up were awarded with trophy & book titled - **Value Education**.

▪ **Jivan Mulya Shikshan by Dr. Sachin Parab (12/01/2017):**

Medical Advisor & Consultant to pharmaceutical & clinical research organizations, Dr. Sachin Parab delivered an interactive session for First Year Engineering students. He began his

talk with his own success story, how he was motivated & created awareness amongst the common masses regarding addiction, his journey of clinical research.

Dr. Sachin Parab addressing students on the subject: Jivan Mulya Shikshan

Dr. K. S. Holkar (Principal) guiding FE students

He highlighted the problems that are faced due to the addiction of tobacco, gutka and other bad habits such as drinking alcohol. He gave information about various ways to stay away from addiction. In his lecture Dr. Sachin Parab created interest about spirituality, meditation, nationalism & human values. He also explained about *Bramha-Kumaris World Cultural University* that teaches a form of meditation that focuses on identity as souls (as opposed to

bodies). They believe that all souls are intrinsically good and that God is the source of all goodness. The session was interactive and Dr. Sachin Parab answered various queries from students regarding topic

Staff and Students of FE during the session

Felicitation of Dr. Sachin Parab at the hands of Dr. K. S. Holkar (Principal)

He also conducted one short meditation and explained few techniques for improving concentration.

Department of MBA

▪ Ms. Nikita Khade (Sr. Manager, HDFC Bank Ltd.) 18/02/2017

With intent to provide practical knowledge and as a part of Industry-Institute Interaction initiative, the Department of MBA has organized the Expert Talk by Ms. Nikita Khade (Sr.

Manager, HDFC Bank Ltd.) on 18/02/2016 (Saturday). She is also the alumni of the MBA Department from the batch (2010-2012) and was one of the two students from Nashik who got placed in HDFC Bank Ltd. through campus placement in the year 2012.

Nikita Khade delivering expert talk

With her message “Nothing is impossible”, she emphasized on development of analytical abilities to make and excel the career in banking sector. The session was overall very much knowledgeable and Nikita addressed various queries of the audiences.

Department of MCA

▪ Digital Marketing by Abhinay Mahadik (11/02/2017)

To keep students updated with the new technologies and to widen their technical horizon, MCA Department organized an expert talk on “Digital Marketing” on 11th February 2017. The talk was delivered by the eminent speaker Mr. Abhinay Mahadik, Director of TESTQ Technologies, Pune & Business Head of Internauts, Nashik.

Expert talk by Abhinav Mahadik

He explained the concepts of digital marketing thoroughly, Types of Digital Marketing with real applications of it, Traditional Marketing Vs Digital Marketing etc.

5. Technical Activities

▪ HR Meet (25/02/2017)

Dr. K. S. Holkar (Principal) addressing the HR Meet

The engineering students require industrial exposure for the better learning of the subjects. A lack of industrial exposure leads to less awareness of the Industry practices. To bridge the gap between industries and institute, we the NDMVPS's KBT COE arranged the NIPM-NDMVP meet on the 25th Feb 2017.

The chief guest participated in the meet were Mr. Uday Kharote (General Secretary M.D., Insto Cosmetics Pvt. Ltd. and Labour Law and I.R. Consultant), Mr. S. S. Khairnar (Member National Institute of Personal Management), Mr. N. D. Bandal (Member, National Institute of Personal Management). Various issues were discussed in the meet about Industry-Institute Interactions etc. The HR Meet of all the company associated with NIPM will be organized shortly.

Department of Information Technology

▪ IOT Training Center Inauguration (16/02/2017):

(Chief Guest: Mr. Milind Ghyar, (MD) Guest of honor: Mr. S. Laxshmanaraj (Delivery Head), Ms. Mayuri Bedse (Associate Project Manager)

To keep students updated with new opportunities and as a need of awareness of new technologies to the students, Information Technology Department of NDMVPS's KBT COE Nashik has started a new **IOT Training Center on 16th February 2017**. The Chief Guest of the inauguration function Mr. Milind Ghyar (MD, TRIARQ Health, India), Guest of honor, Mr. S. Laxshmanaraj (Delivery Head TRIARQ Health) and Ms. Mayuri Bedse (Associate

Project Manager TRIARQ Health) were also present for this inauguration function.

Interaction session of Chief Guest, Mr. Milind Ghyar with Students and Faculty after inauguration function

Chief Guest Mr. Milind Ghyar also addressed the students on the importance of IoT as it is a recent trend. After the inauguration function there was an interactive session of the chief guest Mr. Milind Ghyar with the students and faculties where he answered to the number of queries.

Department of Computer Engineering

■ Cyber Security Cell (13/02/2017):

The Department of Computer Engineering keeps vision of developing good values in students to serve the society. Use of social media is increasing in young generation. But with increasing use of social media, the crime and unethical attempts to use social media are also increasing. To expose the students with these issues, Cyber Security Cell is inaugurated in NDMVPS's KBT COE, Nashik at the hands of Hon. Commissioner, Dr. Ravinder Singhal. The program was organized by Computer Department.

Nashik Police Department has started the initiative under Police Public Participation (PPP)

Project for creating awareness among people regarding cyber security. To participate in this initiative, the members of this club will conduct Cyber security awareness camps in various schools of Nashik as a part of this activity.

Inauguration of Cyber Security Cell at the hands of Dr. Ravinder Singal, Nashik Police Commissioner

He emphasized on the need of creating the awareness among people regarding cyber security. He gave an oath to all the students to follow the basics of Cyber safety. He also stated the safety measures to be followed by all.

Expert talk by Ms. Vaishali Balajiwale, DNA

Ms. Vaishali Balajiwale conducted a training session on soft skills development of students. Mr. Pares Chitnis conducted a training session for the demonstrations in schools regarding the Cyber Security awareness. He also encouraged students to take a step towards research and how

it is useful for them to improve their profiles also by introducing Microsoft Azure for Students facility.

HODs, staff and students of KBT COE

Students of all departments actively participated in the events conducted on Monday 13th Feb 2017.

Department of Instrumentation and Control Engineering

▪ ICONS Instrubotics-2K17 (23/01/2017):

To explore the qualities like leadership, event management, team work, every year Instrumentation & Control engineering department celebrate Instrubotics under the student chapter of ICONS (Instrumentation and Control Engineering Students Association).

Inauguration of Technical Event Instrubotics-2017 by Dr. Rajiv Papneja

For the inaugural Ceremony of technical event 2017 Mrs. Neelimatai Pawar (Hon. Sarchitnis MVP Samaj, Nashik) was President, Mr. Siddhartha Krishna (CEO-HR, Rishabh Instruments, Nashik) was Guest of Honor, and Mr. Rajiv Papneja, Executive Vice-President, ESDS, Nashik, was Chief Guest for the program.

This year Instrubotics-2017 was conducted on 23/01/2017. Mr. Siddhartha Krishna appreciated student's efforts for taking active participation in organizing the technical event 2017.

Dr. K. S. Holkar (Principal) visited Instrubotics-2017 and interacts with Project competition students

Mr. Rajiv Papneja emphasized on how skills get developed while organizing and participating in such type of events which really helps in future career. Hon. Sarchitnis, Mrs. Neelimatai Pawar motivated students to take active participation in these events and give their 100 % irrespective of the result.

In this event following competitions were organized:

Project Competition:

Assessment of Project competition by Jury Mr. Ganesh Jadhav

Quiz Competition:

Quiz competition (Birbal Hunt)

Paper Presentation:

In Instrubotics-2017 Paper Presentation competition

Treasure Hunt & Best Friends Forever:

Best Friends Forever

Mini Militia:

Mini Militia gaming competition

Department of Engineering Science
AARAMBH (23/01/2017):

Inauguration at the hands of Dr. Rajeev Papneja (VP, ES DS, Nashik) & Dr. K. S. Holkar (Principal)

To involve First Year engineering students in extracurricular & co-curricular activities, the FE (Engineering Science Department) organized various technical & non-technical events on 23rd Jan. 2017. On this occasion various technical events such as, technical quiz, PPT presentation, RC control racing, Rubik's cube & non-technical events such as, speech, debate, treasure hunt etc., were conducted.

Rubik's Cube Competition

Felicitations of Prof. Suvarna Patil (Head, DIC) at the hands of Prof. Nitin Desale (Head, Engg. Science)

RC Control Racing Competition

Logo Competition for AARAMBH

Student expressing his views in debate competition, Topic: Technology

Students' Presenting PPT

Speech competition

The main attraction was technical quiz & RC control race wherein about 82 students participated. Overall 180 students participated in various events under AARAMBH.

Department of Instrumentation and Control Engineering

▪ MVP-FOX Automation Training Centre (11/01/2017):

The MVP-FOX Automation Training Centre is inaugurated at the hands of **Mr. Joy Aloor** (Director, FOX Solutions Nashik) **Mr. Pralhad Dhumal** (GM, FOX Solutions Nashik) and **Mrs. Neelimatai Pawar** (Hon. Sarchitnis, Maratha Vidya Prasarak Samaj, Nashik). Chief Guest, Mr. Joy Aloor gave the overview of FOX Solution activities worldwide. In his talk he briefed the journey of FOX Solutions as world class automation solution provider.

Inauguration of MVP-FOX Automation Training Centre at DCS and Automation Lab at the hands of Mrs. Nilimatai Pawar (Hon. Sarchitnis, MVP Samaj)

Mr. Aloor gave some evidences of how FOX has executed more than 500 medium and big size projects. FOX has a client base of over 200 clients. Siemens, SAIL, Volkswagen, Unilever, Vanderlande Industries, Tata, Sterlite, Voith

Papers are few of their esteemed clients. He also focused on future prospective of this field.

Felicitating of FOX Director Mr. Joy Aloor at the hands of Mrs. Neelimatai Pawar (Hon. Sarchitnis MVP Samaj)

Mr. Joy Aloor addressing the audience

Some glimpses of Opening ceremony

With a team of more than 400 engineers at **FOX Solutions** they executes turnkey projects in

Mrs. Neelimatai Pawar, (Hon. Sarchitnis MVP Samaj) gave the presidential address expressing her pleasure and joy as a part of the major industry giant is coming in the MVP campus. Madam also appreciated the efforts of faculty and officials of FOX for this centre for providing quality training facilities in ever growing field of Instrumentation & automation to the students of this great institute. The more details of the MoU and Fox Automation training center are available with the Instrumentation department.

6. Social Activities

▪ Karmaveer Adv. Baburao Ganpatrao Thakare *Punyasmaran* Program (23/02/2017)

The MVP Samaj Nashik was established in the year 1914. Since then, it has been nurtured and grown by many great people. These great people are today known as Karmaveer in MVP Samaj. One such person who made MVP Samaj what it's today is Karmaveer Adv. Baburao Ganpatrao Thakare.

A *Punyasmaran* Program was organized in KBT COE unit which is named after him in respect of his great work. This program was organized on 23/02/2017. In this program Dr. N. S. Patil (Education Officer, MVP Samaj) and Dr. K. S. Holkar (Principal) gave speeches memorizing the greatness of work done by Karmaveer Adv. Baburao Ganpatrao Thakare. This program was attended by all the HODs and the staff of KBT COE.

Department of Computer Engineering

▪ Awareness workshop (Women's Redressal Cell) 27/02/2017

Felicitation of Mrs. Vanita Deshmukh at the hands of Dr. K. S. Holkar (Principal)

The college has established Women's Redressal cell for the betterment of women staff and students in the college. Recently the cell organized an awareness workshop on "Sexual harassment of women (Prevention, Prohibition and Redressal) Act 2013" as per the guidelines of Maharashtra Rajya Mahila Aayog, Mumbai and Savitribai Phule Pune University.

Mrs. Vanita Deshmukh was invited as chief guest and resource person for the workshop. She works for Yashoda Samajik Vikas Sanshta, Nashik as a secretary. Mrs. Deshmukh addressed the students about the importance of the workshop. She also guided about DOs and DON'Ts for girls and boys. The activity was very helpful to increase awareness of students about the sexual harassment which is very essential now days for everyone. More than 250 students from all departments participated in this awareness workshop held on 27th Feb 2017.

Health checkup camp (Women’s Redressal Cell) 20 to 28 Feb 2017

The Women’s Redressal cell always works for the well-being of women in the college. Today almost every woman is facing health problems because of modern life style. Keeping the objective of providing health related guidance; the cell organized a health checkup camp for all female students and staff in the college.

The camp was conducted by MVP Aarogya Kendra in Nashik. All female students and staff in the college took benefit of the camp held during 20 to 28 Feb 2017.

Yuva Din by NSS (11/1/2017)

Swami Vivekanand has always been an inspiration for young generation. Rajmata Jijau is also a role model for all the girls and women. So catching the occasion of Yuva Din, an elocution competition was arranged on the topics “Swami Vivekanandanche Vichar: Aaj cha Yuvak” and “Ma Jijau Mata” for the college students by National Service Scheme.

Celebration of Yuva Din

All students delivered their views on the topic of their interest very expressively and

enthusiastically. The competition was judged by Mr. Swanand Bedarkar. He also delivered his thoughts inspired by Swami Vivekananda. The activity made the Occasion of Yuva Din memorable for all the participants.

Competition snapshot

Department of MBA

Blood Donation Camp (31/01/2017):

MBA Department conducted on 31/01/2017, was the Blood donation camp. This activity was carried out in association with MVP Samaj’s Vasantrao Pawar Medical College Blood-bank.

Some glimpses of Blood-Donation Camp

The students and Staff of MBA Department actively participated in this social activity with

around 25 individuals donated blood during the event.
