About College

The NDMVP Samaj's KBT College of Engineering is a NAAC accredited institute with “A” grade. The college is permanently affiliated to Savitribai Phule Pune University and approved by AICTE, New Delhi and DTE, Government of Maharashtra. The college has well equipped laboratories, workshops and Hostel facilities. For more details please visit www.kbtcoc.org

About the Workshop

The aim of this workshop is to develop the various techniques of GIS and is primarily focused on the faculty and the researchers who are involved in teaching and carrying out good research in the area of “GIS”. GRAM ++ GIS is organized as a number of modules including Import/Export of different format data, Map Editing, Raster Analysis, Vector Analysis, Network Analysis, Terrain Modeling and Watershed Delineation, Digital Image Processing, and Map Layout. Support for Survey of India’s Digital Vector Data (DVD) format is added to the package to enhance the functionality in the Indian environment. This development was supported by UNDP assisted project GIS Based Technologies for Local Level Development Planning and the Department of Science and Technology, Government of India. The workshop will be of great significant and interest to researchers, faculties, and practicing engineers who are working in various technical fields, such as Civil Engineering, Architecture, IT, and Computer Engineering etc.

Topics

1. Applications of GRAM++GIS in various engineering and architectural fields.
2. Development of an e-Tutor for GIS.
3. Functional development and modular testing of Geo-reference area management.
4. GRAM++ GIS package.
