

## Activity Report

<b>Name of the Event</b>	<b>Webinar on “You can win over COVID-19 pandemic”</b>	
<b>Date and Time of Event</b>	Date: 30 <sup>th</sup> April 2020 Time : 4:00pm to 5:00 pm	
<b>Event - Description</b>	<p>Webinar on “You can win over COVID-19 pandemic” was organized by MVPS’s IEEE Student chapter and Computer Engineering department. Mr. Shekhar Paranjape, Co-founder of an IT company addressed the students by stating the post COVID pandemic consequences and underlying opportunities out of the same. He emphasized on need of "Seven Habits of Highly Effective People" in fighting against the COVID calamities. He not only put light on the positive aspects of the lock down period but also motivated the students to make its effective use. The Webinar was successfully organized under the valuable guidance of Dr. V. S. Pawar, HOD, Vice principal, Prof. N. B. Desale and Principal Dr. N. S. Patil.</p>
