#### **About the FDP**

The objective of this Faculty Development Program is to underline the significance of innovative pedagogies for effective teaching –learning process. It shall provide a platform for Engineering faculties to become familiar with various innovative pedagogies and it's implementation. Experts from renowned academic institutes are invited to share their experience about implementation of various innovative pedagogies in online/offline classrooms. We firmly believe that this FDP will be useful in fulfilling the requirements of criteria 5 of NBA.
