

Report  
Of  
**ENTREPRENEURSHIP  
DEVELOPMENT CELL**

**During**  
**A. Y. 2020-21(Semester - I<sup>st</sup>& II<sup>nd</sup>)**

## About the Institute

The College is established in 1999 having 10 Acres area in the heart of Nashik City called the Udoji Maratha Boarding Campus, Gangapur Road, Nashik. The College is affiliated with SavitribaiPhule Pune University, Pune and approved by AICTE. The College offers Bachelor courses in Mechanical Engineering, Computer Engineering, Instrumentation & Control Engineering, Electronics and Telecommunication Engineering, Civil Engineering, Information Technology along with Post Graduate Courses in MBA, Mechanical & Civil Engineering.

## Vision

To be internationally accredited, Multidisciplinary, and Multi-collaborative institute working on technology enabled platform fostering innovations and patents through state-of-art academic system designed by highly qualified faculty for the development of common masses at large

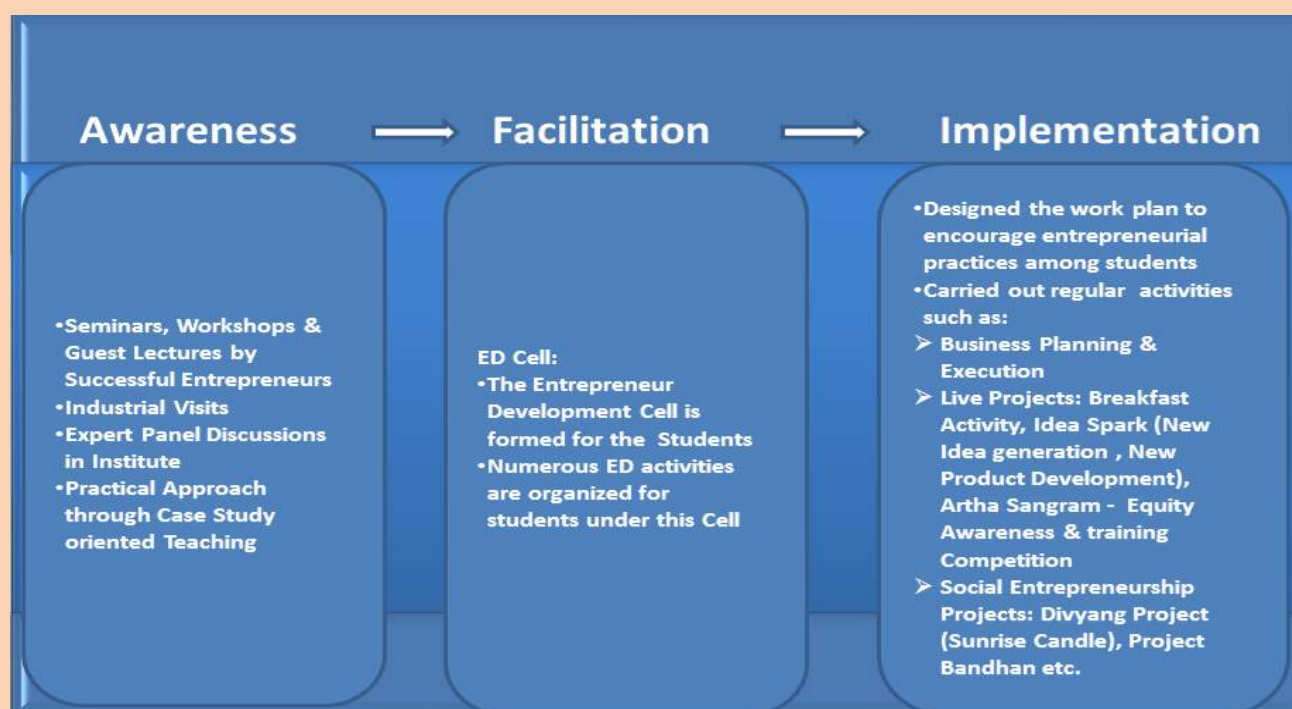

## Mission

To educate and train common masses through undergraduate, post graduate, research programs by inculcating the values for discipline, quality, transparency and foster career and professional development for employment thereby contributing to the development of society

## About the Entrepreneurship Development Cell

The Entrepreneur Development Cell wishes to inculcate and enrich the entrepreneurial environment in India by creating an easily accessible and exhaustive set of resources for the entrepreneurs which including the students, mentors through various fun-filled yet educating sessions such as start-up showcases, competitions etc.

## Functioning of ED Cell

Mr. Sanjeev Mishra (Director, Staenz Academy) was invited as resource person for the same. He explained the impotence of LinkedIn Engagement, YouTube Marketing, and Email Marketing to the third year student with financial aspect during his session.

## H. Department of Instrumentation & Control Engineering

### 1. “LEAD Entrepreneur Acceleration Program” Meet (13<sup>th</sup> August 2021)

The screenshot displays a Zoom meeting interface. At the top, two slides are visible, both titled "Neeleshkumar Pandit is presenting".

The left slide, titled "Product development stages", shows a horizontal timeline with three main phases: "In Lab", "Pre-start up", and "Start up". Below this, a flowchart details the stages: "Success rate" (100%), "Stages" (POC, Prototype, Minimum Viable product, Marketable product), and "Course offer" (Climb-up level 1, Climb-up level 2, Climb-up level 3). A red arrow labeled "Lead team T.M." points from the "In Lab" phase to the "Start up" phase.

The right slide, titled "Modus operandi", shows a flowchart for the "Leap" program. It starts with "project selection" (4-5 Students & 1 Faculty Lead), followed by "Team formation", "The local business idea stream", "Classroom incubation (15-18 hrs, 1.5-2 hrs on alternate days)", "Mid term assessment (10 mins presentation on the evening)", "Field training (Who will buy your product? Who will buy your product?)", and "Weekly 1 project review and provide of lead team support (mentoring)". A box labeled "Great final assessment and award ceremony" is also present.

Below the slides, there are three video thumbnails. The first two show Dr. A. R. Kulkarni, with labels "kulkarni" and "Neeleshkumar" below them. The third thumbnail shows a person labeled "You" with a red circle containing the letter "k".

The Department of Instrumentation & Control Engineering organized a meet of “LEAD Entrepreneur Acceleration Program” on 13<sup>th</sup> August 2021. Dr. A. R. Kulkarni coordinated the meet. Mr. Neeleshkumar Pandit (Project Manager, Department of Electrical Engineering, IIT Bombay) was one of the participants of this meet. A discussion on various topics such as Workshops for the students, Climb-Up Student Development Module etc. were carried out during this meet.
