## About the Workshop

The objective of this workshop is to provide a forum for exchange of latest research findings/results in the area of Heat & Mass Transfer. The workshop will be of particular value and interest to researchers, students, scientists, faculties and practicing engineers who are working in the field of Thermal & Fluid Engineering. Experts from renowned industries and academic institutes will participate and conduct sessions in this workshop.

## Invitation

It gives us immense pleasure to cordially invite and welcome you to participate in Workshop on "Advances in Heat & Mass Transfer" organized by Department of Mechanical Engineering, MVP Samaj's KBT College of Engineering, Nashik on 11<sup>th</sup> and 12<sup>th</sup> Nov. 2021.

## About College

The MVP Samaj's KBT College of Engineering was established in 1999 having 11 acres area in the heart of the Nashik city. The college is permanently affiliated to Savitribai Phule Pune University, Pune and Approved by AICTE, New Delhi. Our college is NAAC Accredited 'A' grade institute. The College has well-equipped laboratories, workshop and Hostel facilities. Every department has separate computational facilities along with LAN, Wi-Fi and necessary softwares and hardwares. At present the college provides four-year courses leading to Bachelor's Degree of Savitribai Phule Pune University, Pune in the following disciplines: Mechanical Engineering, Computer Engineering, Instrumentation and Control Engineering, Electronics and Telecommunication Engineering, Civil Engineering, Information Technology along with post graduate courses in MBA and Engineering.

## About Mechanical Engineering Department

Department Mechanical Engineering was established in year 1999. Department offers Bachelor of Engineering degree with an intake of 120 students and Post Graduate degree in Design Engineering with an intake of 24 students. Six faculty members of our department have completed Ph.D. from renowned institutes like IIT & NIT. Department has well equipped laboratories and infrastructure. The dedication and hard work of the staff members have given fruitful results with our students securing ranks at University examination consistently. Department has signed several MoUs and started various training centres to provide opportunity to the students to work on live industry based projects. Our faculty members are actively working on research projects/schemes funded by DST, AICTE and SPPU. Our students have placed at esteemed industries like M&M, Bosch, Infosys, TCS, Capgemini, Bridgestone, CEAT, KSB etc and pursuing higher education in renowned International Universities.
