About the MBA Induction Program

The importance of the Management education has gaining importance in recent times. The industries in India and all over the world reported highest demand for the candidates qualified in management education. Keeping pace with this situation and integrating the industry expectations from a management graduate, the Department of MBA, MVP; s KBT College of Engineering, Nashik designed a curriculum that would prove beneficial to both the employer and employees. Every year, for the newly admitted students the Department of MBA organizes an Induction Program. In this program, we invite the experts across the academia and industry to guide the students and make them understand the industry expectations from the MBA graduate. This year also we organized the 5-Days Induction Program covering range of activities to help students induce with the MBA Course, Curricular and CO-curricular activities.
