ABOUT US

Team Toraccel Formula Racing is a formula student team of **MVP's KBT College of Engineering** based in Nashik. We are bound together by our shared passion for automobiles, motorsports and our competitive spirits. As budding engineers, our sole purpose is to build and learn as we advance ahead.

While honing their technical knowledge gained in the classroom due to practical applications, every member of Team Toraccel also gains excellent knowledge of team building, overcoming collaborative challenges and at the same time have a strong grasp on time management and leadership roles.

We believe true growth happens outside of your comfort zone and Rolling Stones gathers no moss. Keeping that philosophy in mind and hustling towards it every day.

OUR TEAM FOR 2016

SUPRA SAEINDIA

SUPRA -SAEINDIA is India's Biggest formula student competition organized by SAEINDIA with the support of Maruti Suzuki every year at **Buddh International Circuit**, Greater Noida.

The event provides a platform for students to apply their engineering skills to design and construct a Formula category vehicle as per defined performance and safety specifications. SUPRA SAEINDIA is comprised of a series of Static and Dynamic events spread over five days, concluding with a final Endurance race.
