

MEDA

Maharashtra Energy Development Agency (MEDA), Pune, a Govt. of Maharashtra organization is a pioneer in promoting the use of renewable energy for industries, housing sectors, cities etc. Maharashtra Non-conventional Producers Association members have implemented several projects to promote it. They are also involved in conducting research and development. MNEPA also helps its member in solving the problems of their projects; coordination with govt. subsidy and CDM linkages etc. This workshop is organized to create awareness and use of renewable energy for industries and home. Your active participation in submitting articles and model exhibition is highly solicited.

MNEPA

Maharashtra Non-conventional Energy Producers Association (MNEPA) is formed on 4th May 2006 by Hon. Shri. Vijay Naval Patil, Ex, Cabinet Minister, Gov. of India and founder president of MNEPA. The Motto of MNEPA is to propagate the importance of non-conventional Energy, its usages and advantage over other source of Energy. To create awareness, MNEPA has organized conferences, seminars and workshops all over Maharashtra and conducted awareness camps in rural areas. MNEPA imparts various skill development programs in the field of non-conventional Energy in association with State and Central Government. MNEPA has received recognition from the Government for its contribution towards spread of non-conventional energy awareness. MNEPA is blessed with its active members in achieving its goal.
