# About **M.V.P.**

The Maratha Vidya Prasarak Samaj is one of the most prestigious centers of learning in the State of Maharashtra. It has been over 110+ years that it has stood the test of time to become legend of unparalleled stature. History says that the credit for the birth of M.V.P. Samaj goes to the young, enthusiastic and devoted team of social workers and educationists who were inspired by the lives of Mahatma Jyotiba Phule, Savitribai Phule and Rajashri Shahu Maharaj of Kolhapur. It manages 492 educational institutes and it is one of the premier organization in the jurisdiction of Savitribai Phule Pune University. At present total strength of student is around 2,20,889. History says that the credit for the birth of M. V. P. Samaj goes to the young, enthusiastic and devoted team of social workers and educationists, Karmaveer Raosaheb Thorat, Bhausahab Hire, Kakasaheb Wagh, Annasaheb Murkute & Ganpat Dada More who laid the foundation of the Samaj. Adv. B. G. Thakare, Adv. Vitthalrao Hande & Dr. Vasant Rao Pawar are major contributor of Samaj. They were the devotees who envisioned a culture and knowledge centric society. The motto of the Samaj is "Bahujan Hitay Bahujan Sukhay", for the wellbeing and happiness of the masses to kindle the social cause.

# About

## M.V.P. K.B.T. COLLEGE OF ENGINEERING, NASHIK

The MVP Samaj's, Karmaveer Adv. Baburao Ganpatrao Thakare College of Engineering (KBTCOE) was established in 1999 having 11 acres area in the heart of the Nashik city at approximately 2 Kms from CBS, 12 Kms from Nashik Road Railway station and 22.9 Kms from Nashik Airport The college is Permanently Affiliated to Savitribai Phule Pune University, Pune and Approved by DTE, Mumbai and AICTE, New Delhi. Our institutes, five programs are accredited by NBA for 3 years (Mechanical Engineering, Computer Engineering, Instrumentation and Control Engineering, Civil Engineering and Information Technology) and our institute is accredited by NAAC with 'A++' Grade.

The College has well-equipped laboratories, workshops and Hostel facilities for both boys and girls. Every department has separate computational facilities along with LAN, Wi-Fi and necessary softwares. At present the college provides four-year courses leading to Bachelor's Degree of Savitribai Phule Pune University, Pune (SPPU) in the following disciplines: Mechanical Engineering, Computer Engineering, Instrumentation and Control Engineering, Electronics and Telecommunication Engineering, Electrical Engineering, Civil Engineering, Information Technology, AIDS along with post graduate courses in MBA and Mechanical, Civil and Computer Engineering.

# Hon. Sarchitnis Message

**Hon. Adv. Nitin Baburao Thakre**

Sarchitnis MVP Samaj, Nashik

Dear Aspirants,

This beautiful & profound statement encapsulates the value of education. Nothing can quite uplift our spirit in quite the same manner as education does. Yes, there are some exceptions of people attaining greatness without formal education. But for the rest of us, education is the foundation on which to build our dreams into reality. Not long ago, education merely meant the transfer of knowledge from the teacher to the taught.

Today, education is much more than that. It has been estimated that the entire body of knowledge is doubling about every three years. To keep pace with this explosive growth is quite impossible. I firmly believe that the key differentiators that matters is the ethos of the Institute.

We are confident that our students will be meeting your requirements and contribute to your success, as has been out experience over past years. We request you to provide them the opportunity in your esteemed organization to achieve their career goals.

Regards,

Hon. Adv. Nitin Baburao Thakre  
Sarchitnis, MVP Samaj, Nashik

# Principal Message

**Dr. Satish R. Devane**

Principal, K.B.T. College of Engineering,  
Nashik

Dear Aspirants,

I am delighted to extend my warm greetings and welcome you to the Maratha Vidya Prasarak Samaj's, Karmaveer Adv. Baburao Ganpatrao Thakare College of Engineering, Nashik.

Our college holds a prestigious position in the field of engineering education & management and is dedicated to providing an enriching learning experience to all our students. With immense pride, I would like to highlight that our institute has been accredited by the NBA for five programs and has received an exceptional A++ grade in its second cycle.

At our institution, we are driven by a strong vision that guides our every endeavour. Our primary focus is the development of the common masses at large. In line with our vision, our mission is to educate and train individuals from all walks of life. Through our undergraduate, postgraduate, and research programs, we strive to instil values of discipline, quality, and transparency in our students. By fostering their career and professional development, we aim to contribute to the overall development of society.

I extend my best wishes to all the students who are part of our esteemed institution and those who aspire to join us. Together, let us embark on a journey of knowledge, growth, and success.

Regards,

Dr. Satish R. Devane

Principal, K.B.T. College of Engineering, Nashik

# Vice-Principal Message

**Dr. Vijay Manohar Birari**

Vice-Principal, K.B.T. College of Engineering,  
Nashik

Dear Aspirants,

I am delighted to welcome you to our esteemed institution, Maratha Vidya Prasarak Samaj's, Karmaveer Adv. Baburao Ganpatrao Thakare College of Engineering, Nashik, a beacon of excellence and innovation in education. As the Vice Principal, it is my honour to convey our vision, mission, and objectives, which shape our commitment towards providing a transformative learning experience.

We are committed to providing progressive technical education that equips our students with the necessary knowledge and skills to excel in their chosen fields. Through state-of-the-art undergraduate and postgraduate programs, we foster academic growth and prepare our students to become industry-ready professionals.

We believe in the power of collaboration and its impact on society, academia, and industry. By engaging in projects, internship with these stakeholders, we create opportunities for our students to apply their learning and make a meaningful contribution to real-world challenges. We ensure that our students receive a holistic education that goes beyond classroom learning. We offer a vibrant and inclusive campus environment, where students can explore their passions, engage in extracurricular activities, and develop as well-rounded individuals.

Regards,

Dr. Vijay Manohar Birari

Vice - Principal, K.B.T. College of Engineering, Nashik

# Head of Department Message

**Dr. Deepak T. Khairnar**

**HOD MBA Department, K.B.T. College of Engineering, Nashik**

Dear Aspirants,

The world has gone dynamic the state has no more remained static and this change is beckoning the challenges as well as the opportunities. The progress of most nations over the last few decades has been acknowledged worldwide. India has progressed tremendously at unmatched continuous pace. Ever changing dynamics in the global business environment are compelling s to develop deep to identify newer and more creative ways of responding to technological breakthroughs, economic growth and current meltdown, shifts in customer behavior and dramatic changes in competition. Management colleges have to address these challenges by a multipronged approach including creating a learning ambience that fosters innovative thinking.

Changes in management theory and practices as well as external environment are likely to occur in the future. Our approach seeks to prepare students to be effective managers in the face of these changes. If you believe that successful management is based on genuine capabilities and profound knowledge, if you wish to go beyond success, and if you are confident that you are among the very best, then MVP Samaj's KBT College of Engineering, Nashik is the place just for you.

Regards,

Dr. Deepak T. Khairnar

HOD of MBA Department, K.B.T. College of Engineering, Nashik

# About

## MBA Department

### Vision

# Key Takeaways of the Programme

- ◆ **Mastering Leadership in a VUCA World**  
Participants develop and refine self-leadership styles and learn how to lead effectively in the volatile, uncertain, complex, and ambiguous (VUCA) business landscape.
- ◆ **Enhanced Decision-Making Prowess**  
The curriculum sharpens decision-making abilities, training students to analyze complex scenarios, weigh different factors, and create informed strategies under pressure.
- ◆ **Strategic Insight & Industry Analysis**  
Students gain deep insights into strategic management, learning how to study industry trends, assess competitors, and create sustainable, long-term business solutions.
- ◆ **Financial Expertise for Leaders**  
Participants build a strong foundation in financial management, covering budgeting, financial analysis, and risk assessment—essential skills for strategic leadership and planning.
- ◆ **Staying Ahead with AI and Machine Learning**  
The program ensures students remain competitive by exposing them to the latest advancements in artificial intelligence and machine learning, preparing them for a rapidly evolving business landscape.
- ◆ **Immersive Industry Engagement**  
A capstone project connects students with real-world industry challenges, supported by workshops featuring industry experts, guest speakers, and experienced faculty, enriching their understanding with diverse perspectives and practical insights.
- ◆ **Access to Thought Leaders**  
Workshops and guest lectures provide students with direct access to industry veterans and experts who share valuable knowledge and current industry practices to enhance the learning journey.

# Innovative Teaching Methods

## 1. Project Bandhan

“Bahujan Hitay, Bahujan Sukhay” which stands for Wellbeing and Happiness of Masses, is the motto of Maratha Vidya Prasarak Samaj Trust and as MVP Samaj’s KBT College of Engineering, Nashik which is one of the 492 educational units run by the MVP Samaj Trust, has provided tremendous priority and thrust in Institute Social Responsibility and Extension Activity. The “Project Bandhan” can aptly be considered as the result of this institutional priority and thrust towards contribution in the betterment of masses.

For more details [click here](#)

# Innovative Teaching Methods

## 2. Jugaad

“Jugaad” as the name suggests, this activity has been drafted to give the students an insight of the practical world, where they enter in to the real market and showcase their innovative skills by marketing a product and earning profit by selling it. Before this activity starts the students are divided in groups in equal gender ratio and then they have the choice to decide as to which business they would like to do for one day and earn profit through it. There are various parameters which decide who would win the competition. These parameters are like whatever they earn, they have to spend it for their breakfast, lunch and dinner. Apart from the expenses for the business as well as the personal expenses whosoever brings good amount of profit wins!

To see a report of the Activity please [click here](#)

# Innovative Teaching Methods

## 3. Inbound & Outbound Training Programmes

There are two programmes being designed by the MBA Department and they are Inbound & Outbound Training Programmes. Talking about the inbound training programme, it is conducted by a corporate trainer in the premises of the college, where the trainer covers basic concepts on personality development and interview Skills. Post the inbound training, two outbound programmes are organised, one is Local Outbound i.e. within the Nashik District and another one at Mahabaleshwar/ Panchgani. The outbound training programme mostly covers the topics like team building, time management, leadership skills, communication skills and personality development.

For more information please [click here](#)

# Innovative Teaching Methods

## 4. Industry Visits

To give the students an experience of the real world, the MBA Department organises Industry visits to the different industries around the district and if required, also to distance places. As of now the industries to which MBA Department has regular visits are National Stock Exchange, Bombay Stock Exchange, Jawaharlal Nehru Port Trust (JNPT), Kapse Paithani, Sahyadri Farms, Baswant Honey Bee Park, Nipha Winery, Reliable Auto Industries, Sunrise Candles, Mapro Manufacturing Plant.

# Innovative Teaching Methods

## 5. Guest Lectures

It is very important that a student should get the industry knowledge also apart from the academics. Hence, it is a practice of the MBA Department to invite Industry Experts for Guest Lectures on different topics that give an overview about what is currently happening in the industry and what the industry demands from the students.
