- Focus on skill development and career advancement
- Opportunity to network with industry experts
- Expert trainer by industry professionals
- Interactive workshops and training modules
- Focus on skill development and career advancement
- Opportunity to network with industry experts

## **A session on Smart Investor Awareness by SEBI and BSE**

The MBA Department of MVP KBT College of Engineering, Nashik, organized a session on "Smart Investor Awareness" in collaboration with the Securities and Exchange Board of India (SEBI) and the Bombay Stock Exchange (BSE). This session aimed to educate and empower MBA students and faculty with essential knowledge and skills for making informed investment decisions in the capital market.

The "Smart Investor Awareness" session organized by the MBA Department in collaboration with SEBI and BSE was highly successful in educating participants on the fundamentals of investing and promoting financial literacy. The session contributed to empowering students and faculty with the knowledge and skills needed to make informed investment decisions.

## **A session on Fotopedia Bull risers**

The MBA Department of MVP KBT College of Engineering, Nashik, organized a session focused on analyzing market trends and identifying growth opportunities, often referred to as "Bull Risers." This session aimed to equip MBA students with the

analytical skills and strategic insights needed to capitalize on emerging market trends and drive business growth. To introduce students to methods for analyzing market trends and identifying growth opportunities. To discuss the importance of understanding market dynamics and competitive landscapes. To provide practical frameworks for assessing the viability of new business ventures. To enhance students' ability to interpret market data and make informed business decisions.

## A session on Mindfulness

The MBA Department of MVP KBT College of Engineering, Nashik, organized a session on Mindfulness. Recognizing the increasing stress and demands faced by MBA students and faculty, the session aimed to introduce practical mindfulness techniques to enhance focus, reduce stress, and promote overall well-being.

- To introduce the concept of mindfulness and its relevance to MBA students and faculty.
- To explain the benefits of mindfulness for stress reduction, focus, and emotional regulation.
- To provide practical mindfulness techniques, including guided meditation and mindful breathing exercises.
- To equip participants with tools to integrate mindfulness into their daily academic and professional lives.

Nashik, Maharashtra, India  
2077+V9P, D. K. Nagar, Nashik, Maharashtra 422005, India

The session included:

- Introduction to Mindfulness: Defining mindfulness and discussing its benefits.
- Guided Meditation: Practical exercises in guided meditation, focusing on breath awareness, body scans, and loving-kindness meditation.
- Mindful Techniques: Instruction and practice of simple breathing exercises for cultivating present moment awareness

## Expert Session on “Digital Payment Revolution in India” by Mr. Rahul Handa (NPCI)

The MBA Department of MVP KBT College of Engineering, Nashik, organized an expert session on "Digital Payment Revolution in India" conducted by Mr. Rahul Handa from the National Payments Corporation of India (NPCI). The session aimed to provide students with firsthand insights into the transformative impact of digital payments on the Indian economy, driven by initiatives from NPCI.

The session was well-attended by MBA students and faculty members. The feedback received from the participants was highly positive. Students appreciated Mr. Rahul Handa's expertise, engaging presentation style, and practical insights.

## Expert Session on “Reach the SKY” by Kartic Vaidyanathan (IIT Madras)

The MBA Department of MVP KBT College of Engineering, Nashik, organized a career counseling session titled "Reach for the Sky." This session aimed to provide MBA students with guidance and insights to navigate their career paths effectively. Recognizing the importance of informed career choices, the department facilitated this session to empower students with the necessary tools and knowledge.

Students gained a better understanding of their career options and industry trends. They learned effective strategies for career planning and goal setting. Students received practical tips on resume building, interview skills, and networking. They were provided with insights into self-assessment and skill development. Students gained clarity on how to navigate their career paths and achieve their professional goals. Students learned about how to pursue higher education, and entrepreneurial career paths.

# Mindfulness for Innovators and Entrepreneurs

## Clarity, Balance and transformation

The MBA Department of MVP KBT College of Engineering, Nashik, organized a workshop/session on "Mindfulness for Innovators and Entrepreneurs: Clarity, Balance, and Transformation." Recognizing the demanding and often stressful nature of

entrepreneurship and innovation, the session aimed to equip participants with mindfulness techniques to enhance their focus, manage stress, and foster creativity.

## Local Outbound activity

The MBA Department of MVP KBT College of Engineering, Nashik, organized a local outbound activity focused on management games. This activity aimed to provide students with a practical, experiential learning environment to enhance their teamwork, leadership, problem-solving, and decision-making skills through engaging and interactive games. Students gained practical experience in teamwork, communication, and leadership.

They learned to apply problem-solving and decision-making skills in a dynamic environment. Students developed a better understanding of their strengths and weaknesses as team members and leaders. They enhanced their ability to adapt to changing situations and work under pressure. Students built stronger interpersonal relationships and fostered a sense of camaraderie. They gained valuable insights into management concepts through experiential learning. Students developed time management skills.

## "Campus to Corporate" by Sahil Khule, HR - Culture at ESDS and Samruddhi Jadhav, TA Coordinator at ESDS

The activity aimed to empower students with the knowledge, skills, and confidence necessary to make a smooth transition from campus to the corporate world, specifically within the competition. They shared valuable insights on the company culture and what it takes to succeed in the corporate world and the importance of building a strong Resume. The program boosted students' confidence in their ability to pursue successful careers in the banking sector.

## Leadership and Indian Equities by Mr. Rohit Rakibe, Business Head at HDFC Securities

Mr. Rakibe shared his valuable insights and expertise on the Indian equities market, highlighting the importance of effective leadership in navigating the complexities of the financial world.

- The significance of adaptability and resilience in leadership
- The current trends and outlook for the Indian equities market
- Strategies for making informed investment decisions
- The importance of Financial certification to thrive in the financial sector.

This session was a perfect blend of industry trends, market analysis, and leadership lessons, leaving our audience inspired and informed.

## **Alumni Interaction Session on "College Campus to Corporate Life" by Ms. Prathamarani Jundare, Branch Head and Vice-President of Bandhan Bank**

To bridge the gap between academia and the professional banking sector by providing students with insights, guidance, and networking opportunities through interactions with successful alumni. Overall, the Campus to Corporate program with a banking sector

focus was highly successful in bridging the gap between academia and the industry, empowering students with the knowledge, skills, and connections necessary to pursue fulfilling careers in banking. Increased Understanding of Banking Roles, Improved Career Readiness, Specific Banking Sector Knowledge Transfer and Mentorship and Guidance
