Day and Date of Meeting	Saturday, 11/1/2025	Time: - 10:30 AM-1:30 PM

Agenda Discussed:

1. Welcome and Introduction:

Dr. B.S. Tarle, BoS Chairman, Department of Computer Engineering, welcomed all attendees to the BoS meeting. The attendees were present in online and offline mode.

2. Welcome & Felicitation of BoS Members:

All the BoS experts from other universities, Alumni representative, Industry representatives were warmly welcomed and felicitated for their contributions.

3. F.Y. B. Tech structure and course information and syllabus

Dr. Tarle reviewed the contents of F.Y. B. Tech structure by elaborating Engineering Science Course (ESC) specific to Computer Engineering i.e. Fundamentals of Programming and Programming and Problem-Solving courses.

4. S.Y. B. Tech structure and Discussion:

The subject experts, Alumni representative, Industry Representatives Expert from outside of autonomous colleges shared their valuable insights and feedback regarding the structure of S.Y. B.Tech and M.Tech.

5. M. Tech structure and Discussion:

Dr. Tarle reviewed the revised contents of M. Tech as per the NEP and UGC guidelines, the M.Tech structure has been revised. Following suggestions were received from experts and representatives regarding syllabus structure:

• Dr. Umakant Kulkarni:

- Credit can be set on AI tools for S.Y. & T.Y.
- All electives should have practical along with quality assignments. They should not be limited to theory content only.
- Focus on how to set a quality question paper and quality assignments in next BoS presentation.

- **Dr. Subhash Shinde**

- Change subjects in Open Electives (OE), Multidisciplinary Minor (MDM) as per the guidelines of NEP 2020.
- There should be a connection between minors with respect to program-specific curriculum.
- Reduce difficulty level of minor.
- Add the performance of CCE with ESE.
- Mention CCE policy in the syllabus, different for every course.

- **Mr. Pravin Thakur**

- Give credits to value added skills
- Identify the trends and emerging technologies in industry and plan activities to introduce them to students.
- Industry expert guidance for the solution of project problems is also an industry institute interaction regarding projects.

- **Mr. Sandip Shinde**

- Assignments in practical should be general not problem specific
- Plan activities on major pillars of entrepreneurship.
- Collaborate with incubators and investors.

5. Conclusion:

The meeting concluded with a vote of thanks by Dr. Vaishali Tidake, department BoS Member, expressing gratitude to all attendees for their valuable contributions and insights.
