

**Minutes of Meeting Board of Studies-Mechanical Engineering**

Meeting Agenda	1. Overview of F.Y.B. Tech. and F.Y. M. Tech. structure and syllabus. 2. S.Y., T.Y. and Final Year B. Tech structure. 3. S.Y.B. Tech. syllabus detailing 4. Any Other		
Date of Meeting	11/01/2025	Time:	11.00 pm
Headed By:	Dr. A. B. Kakade	Location:	Room No. 202

Following points are discussed in the meeting:

1. In Multiple exit options, there should be only one option i.e instead of AutoCAD, Carpentry and welding; there should be only "Drafting engineering drawing". Also remove word "multiple" from heading.
2. As per NEP guidelines & AICTE curriculum total number of credit should be mapped with total number of marks
3. For each subject/course wise credit should be mapped with its marks
4. For some courses, conduct practical exam instead of oral exam.
5. For the subject "German language" there should be generic name i.e. foreign language.
6. For MDM courses there should be only one theme offer to mechanical Engineering. Also MDM courses offered by Mechanical Dept. should also be open for mechanical students also.
7. Offer other than Engineering/technical courses for open elective i.e. Logistics, Travel and tourism, Nutrition and health etc.
8. Internship should be provided for the students for minimum 3 to 6 months
9. For Manufacturing subject there should be CCE(Concrete Continuous evaluation).
10. For open elective subject there should be utilization of PO5 to PO12.
11. In Program core courses (PCC),there should be subject. I. C. Engine.
12. In courses, there should be inclusion of some software's like CFD, CAE.
13. All BOS members have given approval for syllabus of program core courses (PCC) of SY BTech Mechanical Engineering.
