# NEWSLETTER

**OCTOBER  
2025****Volume: IX****Issue: X**

The purpose of this Newsletter is to provide information to the student-staff fraternity of Nashik and society at large of the news, including relevant announcements and updates that we believe are important to them. However, this newsletter is also a valuable tool for bolstering morale, promoting unity, team spirit, motivating and rewarding achievements of KBT COE, Nashik. This KBTCOE Newsletter has started its journey since January 2017 and the latest issue is available on the college website: [www.kbtcoe.org](http://www.kbtcoe.org)

The Maratha Vidya Prasarak Samaj is the pioneering organization established in 1914 helping common masses to acquire education in all the fields. There are around 452 schools & colleges all over Nashik District in Maharashtra. Our institute, Karmaveer Adv. Baburao Ganpatrao Thakare College of Engineering is always striving for the betterment of common people. In today's globally connected world, all the sectors need quality manpower. It is our prime responsibility to groom and develop the budding Engineers with multifaceted qualities like professional skills, innovative ideas, problem solving attitude, good communication skills, and social ethics, who can serve the society in a classic manner. We, the team at KBT College of Engineering, aim to educate and train the common masses through undergraduate and post graduate programs by inculcating the values for discipline, quality, transparency and foster career and professional development among the youth for the development of society. The Institute is NAAC "A++" Graded and has 05 of its departments NBA Accredited.

Our Vision, Mission and Objectives are as follows:

## **Vision:**

To be internationally accredited, Multidisciplinary, and Multi-collaborative institute working on technology enabled platform fostering innovations and patents through state-of-art academic system designed by highly qualified faculty for the development of common masses at large

## **Mission:**

To educate and train common masses through undergraduate, post graduate, research programs by inculcating the values for discipline, quality, transparency and foster career and professional development for employment thereby contributing to the development of society

## **Objectives:**

- ▶ To develop technically-sound engineers by engaging the students in progressive technical education and to promote students for academic growth by offering state-of-the-art undergraduate, postgraduate programmes.
- ▶ To undertake collaborative projects which offer opportunities for long-term interaction with society, academia and industry.

## Department of Electronics & Telecommunication Engineering

### Industry Visit

- Shivananda Electronics, Devlali Camp, Nashik (26/10/2025)

Department of Electronics and Telecommunication Engineering organized an Industrial Visit to Sivananda Electronics, Nashik on 26<sup>th</sup> October 2025. During this visit, students were guided on the various equipment used and the manufacturing process of the security products. The students of SY-BTech (E&TC) took the benefit of this visit.

### Other Activities

- Inauguration of Students IETE Chapter (07/10/2025)

The Department of Electronics and Telecommunication Engineering organized an Inauguration Ceremony of the IETE Student Chapter on 7<sup>th</sup> October 2025. The event marked the beginning of a dynamic platform for students to engage in professional development, technical activities, and innovative learning under the Institution of Electronics and Telecommunication Engineers (IETE).

On this occasion Chief Guest, Dr. Apurva Jakhadi, a renowned Space Educator, delivered an enlightening seminar on “Opportunities in Space Technology”, inspiring students to explore the vast potential and career avenues in the field of space science and technology.

### Industry Visit

- National Skill Development Corporation (NSDC), Nashik (07/10/2025)

With an objective to provide students with practical exposure to skill development programs, training infrastructure, and industry-aligned practices that support employability and entrepreneurship, Department of Information Technology on Tuesday, 07<sup>th</sup> October 2025 organized a visit to National Skill Development Corporation (NSDC), Nashik.

### Expert Talk / Guest Session

- “GSM System Secured Against Fraudulent Use” by Prof. Alpana Borse (07/10/2025)

The National Skill Development Corporation (NSDC) is a public-private partnership organization under the Ministry of Skill Development & Entrepreneurship (MSDE), Government of India. It aims to promote skill development by funding vocational training initiatives and setting up quality standards across sectors.

Department of Information Technology organized expert talk on “GSM system secured against fraudulent use” on 11<sup>th</sup> October 2025 for the Final Year IT students. Prof. Alpana Borse (Assistant Professor, IT department, PCCOE, Pune) was invited as a resource person for this expert talk. She explained Solutions to the GSM Security Weaknesses and addressed what are the security problems in GSM. She briefly explored the most important security flaws of the GSM network and its transport channels during this session.

- “UI/UX Programming” by Mr. Swapnil P (11/10/2025)

The Department of Information Technology organized an expert talk on “UI/UX Programming” for Third Year IT students on 11<sup>th</sup> October 2025. Mr. Swapnil P, from Desture Academy, Nashik, was invited as the resource person for this session. Mr. Swapnil delivered an insightful session covering the fundamentals and practical aspects of UI/UX design. He explained the process of creating user personas and their importance in design thinking. 44 students of TE-IT took the benefit of the session.

## Department of Instrumentation & Control Engineering

### Training & Placement
