# NEWSLETTER

FEBRUARY  
2026

Volume: X

Issue: II

The purpose of this Newsletter is to provide information to the student-staff fraternity of Nashik and society at large of the news, including relevant announcements and updates that we believe are important to them. However, this newsletter is also a valuable tool for bolstering morale, promoting unity, team spirit, motivating and rewarding achievements of KBT COE, Nashik. This KBT COE Newsletter has started its journey since January 2017 and the latest issue is available on the college website: [www.kbtcoe.org](http://www.kbtcoe.org)

The Maratha Vidya Prasarak Samaj is the pioneering organization established in 1914 helping common masses to acquire education in all the fields. There are around 452 schools & colleges all over Nashik District in Maharashtra. Our institute, Karmaveer Adv. Baburao Ganpatrao Thakare College of Engineering is always striving for the betterment of common people. In today's globally connected world, all the sectors need quality manpower. It is our prime responsibility to groom and develop the budding Engineers with multifaceted qualities like professional skills, innovative ideas, problem solving attitude, good communication skills, and social ethics, who can serve the society in a classic manner. We, the team at KBT College of Engineering, aim to educate and train the common masses through undergraduate and post graduate programs by inculcating the values for discipline, quality, transparency and foster career and professional development among the youth for the development of society. The Institute is NAAC "A++" Graded and has 05 of its departments NBA Accredited.

Our Vision, Mission and Objectives are as follows:

## Vision:

To be internationally accredited, Multidisciplinary, and Multi-collaborative institute working on technology enabled platform fostering innovations and patents through state-of-art academic system designed by highly qualified faculty for the development of common masses at large

## Mission:

To educate and train common masses through undergraduate, post graduate, research programs by inculcating the values for discipline, quality, transparency and foster career and professional development for employment thereby contributing to the development of society

## Objectives:

- ▶ To develop technically-sound engineers by engaging the students in progressive technical education and to promote students for academic growth by offering state-of-the-art undergraduate, postgraduate programmes.
- ▶ To undertake collaborative projects which offer opportunities for long-term interaction with society, academia and industry.

## Department of Computer Engineering

### Training and Placement

- Campus Placement (February 2026)

In an ongoing success for the Computer Engineering Department at MVPS's KBTCOE, Nashik, three students have secured placements with P99 Software Limited. Ms. Ikra Shaikh, Ms. Tanishka Jadhav, and Ms. Manjiri Bankar achieved this career milestone with a package of 3.6 LPA. This achievement reflects the institute's consistent efforts in providing robust placement opportunities and empowering students to launch successful professional careers in the software industry.

- AICTE Edunet Training Program (21<sup>st</sup> to 28<sup>th</sup> February 2026)

From February 21<sup>st</sup> to 28<sup>th</sup>, 2026, AICTE and the Edunet Foundation conducted an intensive offline Next Gen Employability training program for over 130 third-year students. Coordinated by Mr. Pramod Patil, the hands-on sessions were led by experts Karan Bhat and Vipul Kayate, focusing on Full-stack Web Development using AI tools. This initiative provided students with essential practical skills in emerging technologies, significantly enhancing their professional readiness for the modern tech landscape.

### FDP/Workshop/Conference/Seminar

- FDP on Architecting Intelligence with Keras (21<sup>st</sup> to 28<sup>th</sup> February 2026)

ACES (Association of Computer Engineering Students), in collaboration with ML Nashik, recently organized a one-day workshop titled "Architecting Intelligence with Keras" to provide students with foundational and practical AI expertise. The event featured expert sessions on Ethical AI, Deep Learning, Edge AI, and AI Coding Tools, led by industry professionals including Ms. Parnika Patil, Mr. Pranav Prajapati, and Mr. Anurag Wagh. Through hands-on model building and discussions on real-world applications, in the field of Artificial Intelligence.

## Expert Talk / Guest Session

- “Research and Innovation” by Dr. Santosh Darade (31/01/2026)

- “Digital and Social Media Marketing” by Mr. Vikram Bodke (18/02/2026)

## Student Achievements

- SE Toppers

On January 31<sup>st</sup>, 2026, the Computer Engineering Department hosted an expert talk on “Research and Innovation” featuring Dr. Santosh Darade from MIT, Pune. Under the guidance of HOD Dr. B. S. Tarle, the session provided faculty members from the Computer, IT, and AI&DS departments with practical insights into promoting research activities and institutional best practices. Coordinated by Dr. V. S. Tidake and Mr. B. S. Gholap, the event successfully fostered an environment of academic growth and innovative thinking among the participating faculty.

On February 18<sup>th</sup>, 2026, the Department of Computer Engineering organized an expert talk on “Digital and Social Media Marketing” for Third-Year students, featuring Mr. Vikram Bodke, Founder & CEO of Engeniuspark Technologies. Coordinated by Ms. D. L. Tidke, the session provided students with practical insights into modern branding strategies, content creation, and audience engagement tools. This industry-led interaction successfully bridged the gap between theoretical knowledge and the real-world application of digital marketing trends, equipping students with essential skills for the modern professional landscape.

Department of Computer Engineering announced the outstanding academic achievements of its Second-Year students for the 2025–26 Academic Year. Leading the cohort, Bhadane Harshal and Jadhav Payal secured the top position with an exceptional 9.50 SGPA, followed closely by Dhamale Vaishnavi and Pawar Gayatri at 9.25 SGPA. Other high achievers included students reaching SGPAs of 9.20, 9.10, and 9.05. The Head of the Department and faculty congratulated the toppers.

## TE Toppers

Department of Computer Engineering announced the Third Year toppers for the 2025–26 Academic Year (Semester V), highlighting outstanding student performance. Ahirrao Ayush led the department with a perfect 10 SGPA, followed by Kasar Rajeshwari at 9.86 SGPA and Patil Mahesh at 9.71 SGPA. Other notable achievers included Bedse Shreya (9.52) and Aher Sanskruti (9.48). The Head of the Department and faculty members commended these students for their academic dedication and encouraged them to maintain this momentum in their future endeavors.

## BE Toppers

The Department of Computer Engineering announced the outstanding academic achievements of its Final Year (B.E.) students for the AY 2025–26 (Semester VII). Leading the department, Porje Shravani and Rane Komal secured the top position with an impressive 9.55 SGPA, followed by Baviskar Anandi at 9.40 SGPA. Other high achievers, including Bankar Manjiri, Daware Sneha, Naphade Radha, Shewale Aarya, and Wadhule Sneha, all secured a notable 9.25 SGPA. The Head of the Department and faculty members congratulated the students.

## Department of Electrical Engineering

### Expert Talk / Guest Session

- “CAD Software and Job Opportunities” by Mr. Mayur Wagh (04/02/2026)

On February 4<sup>th</sup>, 2026, the Department of Electrical Engineering organized an expert lecture for 52 S.Y. B.Tech. students, featuring Mr. Mayur Wagh from CAD Centre, Nashik. The session introduced students to essential industry software like AutoCAD Electrical, focusing on schematic design, panel layouts, and wiring diagrams. Highlighting career paths in industrial automation and design engineering, Mr. Wagh emphasized the importance of mastering CAD tools alongside core engineering concepts.

- “Opportunities – Robotics & Automation” by Mr. Sagar Patil (13/02/2026)

On February 13<sup>th</sup>, 2026, the Department of Electrical Engineering hosted an expert talk titled “Opportunities – Robotics & Automation” featuring Mr. Sagar Patil, Founder & CEO of Raybot Automation Pvt. Ltd. The session provided students with deep insights into the integration of AI, Machine Learning, and Robotics within modern industrial frameworks. Through demonstrations of AI model training and real-world industrial use cases, Mr. Patil emphasized the synergy between hardware and software skills.

- “Career Guidance and Entrepreneurship” by Mr. Sahebrao Salunkhe (18/02/2026)

On February 18, 2026, the Department of Electrical Engineering organized an expert talk on “Career Guidance and Entrepreneurship” featuring Mr. Sahebrao Salunkhe, Owner of Salunkhe Industries. Drawing from his extensive industrial experience, Mr. Salunkhe discussed diverse career paths in core engineering, government sectors, and higher education, while sharing insights into his own entrepreneurial journey. The interactive session, held at the C Building Seminar Hall, saw active participation from students across all departments, providing them with valuable strategies for competitive exams.

## Department of Instrumentation & Control Engineering

### Training and Placement

- Campus Placement (February 2026)

	
<b>Yash Bhamare</b>	<b>Nikhil Ahire</b>
Successfully placed in Woodfield International Pvt. Ltd., Thane	
WOODFIELD	

In an ongoing effort to provide career opportunities at MVPS’s KBTCOE, Nashik, two students from the Instrumentation and Control Engineering Department have successfully secured placements with Woodfield International Pvt. Ltd., Asangaon. Mr. Yash Bhamare and Mr. Nikhil Ahire achieved this milestone with a package of 2.70 LPA CTC. This success highlights the department's commitment to industrial recruitment and the professional growth of its students in the core engineering sector.

### Expert Talk / Guest Session

- “Compliance and Regulations of Biomedical Devices” by Mr. Narendra Singh (07/02/2026)

On February 7<sup>th</sup>, 2026, the Department of Instrumentation and Control Engineering organized a specialized expert session on “Compliance and Regulations of Biomedical Devices” for S.Y. and T.E. students. The session was led by Mr. Narendra Singh, Director of Life Sciences at Capgemini, Bangalore, who provided critical insights into global regulatory frameworks and compliance standards. This interaction helped students understand the stringent safety and quality requirements of the biomedical industry, bridging the gap between academic theory.

### Other Activities

- Induction Program (20/02/2026)

On February 9<sup>th</sup>, 2026, the Department of Instrumentation & Control Engineering conducted an Induction Program for its S.Y., T.Y., and Final Year students to mark the beginning of Academic Year 2025–26 (Semester II). Dr. B. J. Parvat, Head of the Department, delivered the welcome address, outlining student responsibilities and the strategic importance of the upcoming curriculum. During the session, students were briefed on their scheduled courses and introduced to their respective subject teachers.

- “Introduction to Financial Market and Equity Trading” by Mr. S. D. Nikam (25/02/2026)

On February 25<sup>th</sup>, 2026, Mr. S. D. Nikam, Assistant Professor from the Department of Instrumentation and Control Engineering, delivered an interdisciplinary expert session titled “Introduction to Financial Market and Equity Trading.” Conducted for S.Y. B.Tech Civil Engineering students at MVPS’s KBTCOE, Nashik, the session provided valuable insights into market dynamics and investment fundamentals. This collaborative initiative successfully broadened the students' professional horizons beyond core engineering, equipping them with essential knowledge of financial literacy and equity trading.

## Department of MBA

### Industry Visit

- Anand Agro Pvt. Ltd. (14/02/2026)

On February 14<sup>th</sup>, 2026, a specialized industrial visit to Anand Agro Pvt. Ltd. was organized to provide management students with a comprehensive look at the operational and marketing dynamics of the agri-input industry. Given Nashik's status as an agricultural hub, the visit focused on the critical supply chain of bio-products. Students explored high-tech R&D laboratories to observe microbial strain testing, studied large-scale fermentation and sterilization processes, and toured the automated packaging and logistics sections.

### Expert Talk / Guest Session

- “Design Thinking” by Mr. Nikhil Deore (13/02/2026)

On February 13<sup>th</sup>, 2026, the MBA Department organized an insightful guest session on Design Thinking, featuring department alumnus Mr. Nikhil Deore (Batch 2017–19), currently an Impact Innovation Coach at Digital Impact Square (TCS Foundation). Mr. Deore guided students through the core stages of the design thinking process—empathy, problem definition, ideation, prototyping, and testing. By sharing real-world examples from his professional experience, he demonstrated how to develop user-centric, innovative solutions.

कर्मवीर अॅड. बाबुराव गणपतराव ठाकरे  
अभियांत्रिकी महाविद्यालयातर्फे छत्रपती शिवाजी  
महाराज जयंतीच्या हार्दिक शुभेच्छा!

शुभेच्छुक

प्राचार्य, सर्व कर्मचारी व विद्यार्थीवर्ग
